Mission

The mission of the Chancellor's Cabinet is to serve as the leadership team ensuring the capacity of our District to educate students effectively and meet the needs of our communities in partnership with classified staff, faculty, and other managers.

College/District Community Meetings

Cabinet proposed that the Board have state of the college/District community meetings in each service area to apprise community members of the impact of the state budget on the District's colleges. The sessions would be held during the summer.
