## Contra Costa Community College District Selects Dr. Tony Wold as Associate Vice Chancellor, Chief Financial Officer

**MARTINEZ, California** – The Contra Costa Community College District (4CD) has selected Dr. Tony Wold as the next Associate Vice Chancellor, Chief Financial Officer (AVC CFO). Following a nationwide search that began in May 2023, the 4CD Governing Board will vote on ratification of his contract at their August 9, 2023, meeting.

“We are excited to welcome Dr. Tony Wold to 4CD. He brings an impressive amount of experience in finance, public education, labor negotiations, and bond programs. He embodies a student-first approach, complementing our focus on student equity and success,” shared Executive Vice Chancellor of Administrative Services Dr. Micaela Ochoa.

For the past year, Dr. Wold served as Chief Business Officer in Residence for School Innovations & Achievement, where he focused on rebuilding systems to bring students back into schools while addressing the learning loss and changes in attendance behaviors resulting from the pandemic. He recently served as Associate Superintendent, Business Services, for West Contra Costa Unified School District (WCCUSD), where he oversaw the daily operations and management of accounting,

budget, purchasing, payroll, employee benefits, labor relations, school operations, athletics, safety, warehouse, transportation, nutrition services, and risk management. He also helped lead the passage of WCCUSD's \$575 million Measure R Bond in March 2020, and overcoming a \$49.9 million structural deficit to restore the WCCUSD budget certification.

"I am excited to join the 4CD team and support their vision of a college-going culture for its diverse student population," said Wold. "Community colleges are essential in providing an affordable and quality higher education given the changing job market locally and across the world, and I look forward to helping 4CD successfully achieve that mission."

Dr. Wold received his Bachelor of Science in Business Administration from the Marshall School of Business at the University of Southern California (USC), his School Business Management Certification and a Doctorate in Educational Leadership at USC. He also earned Chief Business Official certifications from the Council of Great City Schools, and Lead Negotiators certification from the School Employers Association of California (SEAC).

###

*The Contra Costa Community College District (4CD) is one of the largest multi-college community college districts in California. The 4CD serves 1.2 million residents, and its boundaries encompass all but 48 of the 734-square-mile land area of Contra Costa County. 4CD is home to Contra Costa College in San Pablo, Diablo Valley College with campuses in Pleasant Hill and San Ramon, and Los Medanos College with campuses in Pittsburg and Brentwood. The District headquarters is located in downtown Martinez. Each college is individually accredited by the Accrediting Commission for Community and Junior Colleges.
