

**REGISTERED SEX OFFENDER INFORMATION**

The District shall include in the annual Campus Crime Awareness Report a statement advising the Contra Costa Community College District community where information pertaining to registered sex offenders may be obtained.

Sex offenders are required to register with police departments in the jurisdiction in which they reside, and at institutions of higher learning if they are students, employees, contractors or volunteers there. A sex offender who is an employee or volunteer in the District must disclose his or her status as a registrant upon his or her application or acceptance of the position if he or she 1) would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or have supervision or disciplinary power over minor children, or 2) would be working directly and in an accompanied setting with minor children and his or her work would require touching minor children on more than an incidental basis.

A sex offender who must register for committing a crime against a minor victim under the age of 16 is prohibited from serving as an employer, employee, contractor, or volunteer, in any capacity in which the sex offender would be working directly and in an unaccompanied setting with minor children on more than an incidental and occasional basis or involving having supervision or disciplinary power over minor children.

Sex offenders who may be required to register should do so at the Diablo Valley College Police Services Office, located at 321 Golf Club Road, Pleasant Hill, California 94523. Registration appointments will be made Monday through Friday between 9:00 a.m. and 4:00 p.m.

Police Services shall not release information regarding a sex offender, unless the person seeking the information has signed a statement, on a form provided by the Department of Justice, stating that he or she is not a registered sex offender, that he or she understands the purpose of the release of information is to allow members of the college community to protect themselves and their children from sex offenders, and that he or she understands it is unlawful to use the information received to commit a crime against any registered sex offender or to engage in illegal discrimination or harassment of a registered sex offender. The department will maintain the signed statement in its records for a period of five years.

Police Services will release the following information regarding a registered sex offender: full name, known aliases, gender, race, physical description, photograph, date of birth, crimes resulting in registration, and the date of last registration or reregistration.

Information concerning registered sex offenders can be obtained from the Chief of District Police Services, or his/her designee, at the Diablo Valley College location listed above.
