PARKING AND TRAFFIC REGULATIONS

The District provides facilities for vehicles for the sole purpose of conducting college business. The District assumes no liability for damage or loss to private vehicles, their occupants or contents while on college property. Parking and use of vehicles on campus in violation of regulations is prohibited. Drivers who require vehicles on campus in order to conduct business related to the college may obtain temporary permits from Campus Police. (Any vehicle in violation of these regulations may be issued a parking citation.)

a. General

Driver Responsibility
A motor vehicle possessed or maintained by a faculty or staff member may not be parked in reserved Faculty or Staff lots until the appropriate decal has been properly affixed. Faculty and staff must park in Faculty/Staff designated areas unless permission to park in other areas is obtained from College President. (Students may not use parking lots reserved for Faculty/Staff.)

Temporary Regulations/Instructions
Occasionally special short-term conditions arise that may require suspending a portion of these regulations, or may require additional temporary regulations and/or instructions. The Chief of District Police Services or Campus Lieutenant of Police Services is authorized to institute temporary changes as circumstances require. Citations will be issued to persons violating any temporary signs, barricades or markings.

b. Eligibility

Students
All students who have paid the required fee are eligible for first-come, first-served parking in general parking lots.

Staff
All full-time and part-time staff are eligible for parking in specific assigned areas. The term "staff" does not include tutors or student assistants, but applies only to contract employees of the Contra Costa Community College District. (Current Staff decals will be honored on all District campuses and properties.) This eligibility does not extend to family members and friends of faculty and staff.

Temporary Parking for Staff
In order for staff to park a vehicle on campus which does not have a parking decal, a temporary parking permit must be obtained at the Campus Police Services Office and placed on the dashboard of the car. In lieu of this procedure, staff must pay for a one-day permit, obtainable as they enter the campus.

One-Day Parking
If Management is inviting special guests on college business, visitor permits should be obtained, in advance, from Campus Police Services Office and mailed or otherwise provided to the guests. Except as provided above, visitors must pay a fee per day established by the Governing Board and published in the college catalogues to park on campus. Visitors must park in approved areas and comply with all parking regulations.
1. PROCEDURES

a. Fees

Who Must Pay
All persons parking on campus must pay fees as prescribed by the Governing Board unless specifically exempt by Board order. The Board, as part of an agreement with employee organizations, has exempted faculty, staff and managers from parking fees. This agreement extends only to the individual employee and not to family members or friends. Abuse of this agreement could result in the loss of faculty/staff parking privileges.

Fee Schedule
The parking fee schedules are established by the Governing Board and published in the college catalogues.

Student Parking Permits (Decals)
Student parking permits (decals) are issued when the fee is paid at the designated campus office. Any decal obtained through misrepresentation or in violation of this regulation is void. Staff decals are issued at the office of Campus Police Services.

Placement of Parking Permit (Decals)
Decals will be placed on the lower front windshield, passenger’s side or on the lower rear window, driver’s side. Portable permits must be hung on rear view mirror, decal facing front of vehicle.

Portable Student Parking Permit
A portable carrier is available for a fee at designated campus office. This carrier with proper parking permit (decal) properly affixed may be transferred from vehicle to vehicle as needed. This carrier must be hung in designated place in accordance with District Parking Regulations.

Summer Session Parking
During the summer intercession the semester permit for the preceding spring or succeeding fall is not valid. A summer permit must be purchased.

b. Parking

Where to Park
General parking areas are open to all students and visitors on a first-come, first-served basis. All motorcycles, mopeds and other motor-driven cycles must park in specially designated areas within the general parking lots.

Improper Parking
The assignment of a parking decal to a vehicle is not a guarantee of a parking space. It is the responsibility of the vehicle operator to find an approved space for his/her vehicle. All drivers are cautioned that the college, having marked approved spaces, is under no obligation to mark all areas where parking is prohibited.
