II. WELCOME AND INTRODUCTORY REMARKS

   a. Important Note: An on-site job walk/field presentation follows this meeting. Attendance at this meeting and job walk is mandatory. At completion of the field presentation, bidder is responsible to obtain a Certification of Site Visit (Section 00450), signed by the District. This signed form must be submitted with your bid.
   b. Public Safety and Noise
   c. Project Stabilization Agreement (PSA) DOES apply to this project.
   d. EADOC (Bentley Systems) Web-Based Construction Management System
   e. This is a DSA-monitored project
   f. Review bid documents and submit RFIs early (do not append attachments to emails – RFIs must be in body of email only), so responses can be issued in a timely manner.

III. Communication During Bidding and Contract Award Phase

   a. All questions, clarifications, and requests for information (RFI) shall be directed to:
      o Ben Cayabyab in writing via email messages at: bcayayab@4cd.edu
      o Copy to Diane Hardy, Sr. Project Manager at diane_h@csipm.com
      o Copy to Rob Mohr – Sr. Construction manager at robm@csipm.com

   b. All responses to RFIs shall be included in the Addendum to be issued by the District; See Bid Phase Schedule, below.

III. Project Scope and Description:

   a. Introduction by Phan Dung, Noll & Tam:
The Overall Project Summary consists of renovations to portions of the existing instructional buildings as well as construction of a new 6600 SF Library and Learning Resource Center; including site improvements. Increment 2 Work includes, but is not limited to:
1. Renovations at the Learning Commons
2. Renovations at the existing West Building for a new Café, including site improvements for a grease interceptor and trash/recycle/compost enclosure
3. Accessibility upgrades to existing restrooms as needed
5. Site Improvement at the new LLRC, including subgrade preparations, rerouting of existing underground utilities, extension of utilities to serve the new buildings and landscape improvements

II. PROJECT WORK RESTRICTIONS (see Section 01140)
Diane Hardy

I. Contractor Parking/Staging/Access
   a. Parking impacts must be minimized to every extent possible. Consider street parking and carpooling to site; especially during first 2-3 weeks of each term

II. Storage
   a. Contractor responsible for security of their stored materials, equipment, tools, etc.
   b. Dumpsters/temporary toilet facilities
   c. Provided by the Contractor. Location to be approved by District.

III. Temporary Work Activity Plan
   a. Provide a Temporary Work Activity Plan prior to any Work starting on the Project Site
   b. Locate temporary facilities, modified paths of travel, fencing, signage and site stabilization
   c. Provide a proposed schedule of temporary interruptions
   d. Shutdown of facility natural gas system – contractor to provide proper and timely notifications of shutdown. Any facilities/equipment affected by the shutdown must be reactivated

IV. PROJECT JOB SITE COORDINATION AND EXECUTION:
   Refer to Special Procedures Section 01416

I. When necessary, contractor shall include in their bid to work Saturdays or swing shift to ensure Work does not interfere with the campus operations.

II. Temporary utilities/services
   a. Refer to Temporary Facilities and Controls Section 01500
   b. Contractor shall provide and maintain temporary sanitary facilities for use of all workers.

III. Quality Control
   a. Inspections & Testing
   b. Refer to Section 01400, Quality Control Requirements.

IV. Site Housekeeping
   a. Contractor is responsible for keeping the site clean and safe during and after hours.

V. Project Schedule
   a. Schedule Requirements/Rain/Final Week
   b. Some Required Saturday Work Likely
   c. Work may be performed during the daytime work shift hours of 7AM – 5PM Monday through Friday that do not disrupt or impact occupied areas.

VI. Key Dates
   a. College Winter Break, Spring Break and Summer Break - Finals

VII. Contract Duration
   a. Carefully review Section 00600, Construction Agreement
   b. 21 Calendar Days from NTP to Mobilization
   c. 425 Calendar Days from NTP to Substantial Completion (SC)
   d. 30 Calendar Days between SC and Final Completion (FC)
e. Award of contract scheduled to be issued the day after District Board approval.
f. Successful Contractor will be required to submit bonds and insurance expeditiously.
