

## Access Campus Wi-Fi

1. Access the Wi-Fi Settings on your device and choose the following network: **XXX Student** (XXX = CCC, DVC, LMC, SRVC or BWC).
2. Enter your Portal Username (Example: jsmith543) and password. **Note:** You must be able to successfully login to the InSite Portal before you can access the campus Wi-Fi.

The screenshot shows a web portal for WLAN Connection Activation. At the top left is the Contra Costa Community College District logo with the tagline "pathways to success". To the right of the logo is the title "WLAN Connection Activation". Below the title is a dark blue login form with two input fields: "User Name" and "Password". A "Log In" button is located to the right of the password field. At the bottom of the form, it says "Powered by Ruckus Wireless".

**\*If you run into any issues with connecting, please contact District IT helpdesk at x-16888.**
