Getting started
Welcome to DVC!
DVC is proud to be among the top California community colleges transferring students to the University of California, California State University, and private four-year universities. In fact, DVC is one of the top transfer schools in the state.

Here are the main steps to enrolling in our campus:

• Apply
  • Step 1: Complete admissions application
  • All new, transfer, and returning students and concurrently enrolled high school students must complete an application. Go to to www.dvc.edu to complete the online application.
  • Apply to DVC
• Apply to DVC for International Students
• Course catalog offered the semester/term
• Necessities

• Online orientation
  • Step 1: Complete the online orientation

• Assessment testing - Math, English and Chemistry
  • Step 3 - Take the assessment test
  • To assist you in planning your math and English courses, participate in the assessment process. This assessment will help you make decisions for the most appropriate courses to meet your individual educational goals.
  • View assessment web page for test times.
