

Celebrations of Success

At 4CD, annual graduation ceremonies honor our students' accomplishments – and our achievements as a great multi-college district.

Each of us remembers our graduation days. Those milestones are times to recognize the hard work that went into reaching a goal—like earning an associate degree from one of our 4CD colleges. Equally important, they are occasions that bring graduates together with family, friends, and mentors, the supporters who helped them overcome obstacles and achieve success during their academic and personal journey.

Another word for the ceremony is “Commencement”, and that’s fitting as it signifies a “beginning.” As their time on campus draws to a close, students are beginning the next chapter of their lives, carrying forward the lessons learned in classrooms, labs, stadiums, playing fields, stages, studios, and countless conversations and interactions.

At 4CD, each graduation is a testament to the efforts of our entire community. Starting with our very small initial graduating classes, 4CD has witnessed remarkable growth. **Since 1999, we have awarded more than 61,000 degrees.** In 2017-2018, our total degrees awarded exceeded 4,000 for the first time, and that number has remained constant every year since.

We invite you to share in the joy of the graduations that have marked 4CD's 75-year history. Please join us in congratulating the Class of 2024 and all their predecessors!
