

December 9, 2009

**CONTRA COSTA COMMUNITY COLLEGE  
DISTRICT  
RESOURCE ALLOCATION**

# WHY DEVELOP A NEW MODEL?

---

- ✘ Allocation formulas not aligned to revenues
  - + FTE for faculty, management – historical FTE
  - + Classified formula = per FTES - historical
  - + C-hourly formula = FTES, productivity,
  - + Operating formula = FTES - historical
  - + Buildings & Grounds historical – rolls over
- ✘ Need to provide linkage between revenues and expenditures
- ✘ Fiscal stability and accountability
- ✘ Accreditation recommendation

# SELF IDENTIFIED ACCREDITATION RECOMMENDATION

---

- ✘ District Recommendation 8: In order to improve its resource allocation process, the district should expedite development of a financial allocation model including the following (Standards: IIC1, IIID1a, IIID2a, IIID3, IV3c):
  - + The model as a whole;
  - + Funding for adjunct faculty in a way that will support the district and college intentions to increase student enrollment;
  - + Technology funding.

# ACCREDITATION STANDARD

---

- ✘ IV3c – The district/system provides fair distribution of resources that are adequate to support the effective operations of the colleges.

# PROCESS

---

- ✘ Cabinet review and input (Spring & Summer 2009).
- ✘ Met with colleges senior leadership in Fall 2009.
- ✘ Presented to the District Governance Council (DGC) Fall of 2009.

# TIMELINE

---

- + August 2009 – Chancellor email to all employees  
“Revenue-based funding formula based on FTES to align us more closely with Senate Bill 361”
- ✘ Fall 2009 – develop proposal and vet through Cabinet and shared governance – DGC October, November, December
- ✘ January 2010 – Propose a Decision
- ✘ February thru June-District 2010/11 Budget development  
February & March – rewrite policies and procedures
- ✘ April & May – Vet policies and procedures through shared governance
- ✘ July 1, 2010 – Implement new model

# PRINCIPLES FOR NEW ALLOCATION MODEL

- ✘ Is the model perceived to be fair
- ✘ Is it easily understood
- ✘ Does it provide the proper performance incentives
- ✘ Does it work in good times and bad
- ✘ Financial stability

# DGC VALUES AND PRINCIPLES

---

- ✘ Transparency
- ✘ Flexibility
- ✘ Accountability
- ✘ Local control to address budget planning integration
- ✘ Simplicity
- ✘ Shared governance input into the model

## **NEW APPROACH TO RESOURCE ALLOCATION**

---

- ✘ Would completely replace existing procedure
- ✘ All available unrestricted funds are distributed to the colleges based on FTES earned according to the state funding formula (SB 361)
- ✘ District Services, District Wide and Regulatory costs are determined on an annual basis
- ✘ These costs are deducted from each college allocation based on total FTES generated

# IMPACT TO 4CD

---

- × Culture shift
  - + Accountability/Responsibility/Authority
  - + Autonomy
  - + Transparency and accountability for DO & DW Services
  - + Transparency of college allocations and expenditures
  - + Impact and involvement of colleges in negotiations
- × Requires an investment to transition the district to new model
  - × Interest revenue, undesignated reserves, retiree health

# IMPLEMENTATION ISSUES

---

- ✘ State regulatory requirements
  - + 50% Law
  - + Full-time faculty obligation (FON)
  - + Goal of 75/25%
- ✘ Requirements of collective bargaining agreements
- ✘ Public investment of physical plant and maintaining facilities
- ✘ Support services staffing levels

# IMPLEMENTATION ISSUES

---

- × Reserves and deficits – accountability
  - + 7% reserves
  - + Accountability for over expending
- × Allocation of new revenues
  - + Cola
  - + Growth
- × Long term planning
- × Shifting of resources between colleges
- × Periodic review of the procedures
  - + 1 year after implementation
  - + 3 year review

# WHAT IS SB 361

---

- ✘ New State funding formula implemented in 2006/07
- ✘ Replaced the AB 1725 Program Based Funding Model
- ✘ Simpler approach using Fixed amount of Basic Allocation to colleges and districts based upon size measured by FTES to account for economies of scale
- ✘ In addition to Basic Allocation, dollars are allocated using FTES as the single work load measure

# IMPLEMENTING SB 361

---

- ✘ Basic allocation – college size
  - + \$3,321,545 – LMC and CCC
  - + \$3,875,136 – DVC
  - + \$1,107,182 – San Ramon Center
- ✘ Per FTES allocation
  - + \$4,565 per credit FTES
  - + \$2,745 per non credit FTES
  - + \$3,232 per Enhanced Non Credit FTES
- ✘ All Local College Generated Revenue (including non resident and International Education) will be retained by the college

# IMPLEMENTING SB 361 (CONT'D)

## ✘ Revenue/Expenditure Alignment

### 2010/11 Simulation

- + CCC - \$2.2 million excess expenditure over revenues
- + DVC - \$2.2 million Revenue in excess of expenditures
- + LMC - \$500k excess expenditure over revenue

# IMPLEMENTATION STRATEGIES TO TRANSITION TO REVENUE BASED MODEL

---

- + FTES Shift from DVC to CCC - \$830K
  - DVC grow back
- + Use International student FTES to shift revenue
- + Consolidate cosmetology program under CCC
- + Equalize base funding

# PRELIMINARY RECOMMENDATION

- ✘ Recommending Strategy #1
  - + Shift 182 FTES to CCC to build base allocation up \$830K
  - + Allow DVC first allocation of growth funding to recoup the \$830K
  - + Provide a 5 year transition for CCC to reduce \$1.4 million and LMC \$500k

Resource Allocation
