

In this 1960s aerial photo facing south, the surrounding community grows rapidly towards the DVC campus. College Park High School can be seen near the middle of the picture. (Bottom) The Biological Science Building at CCC opens in 1961.

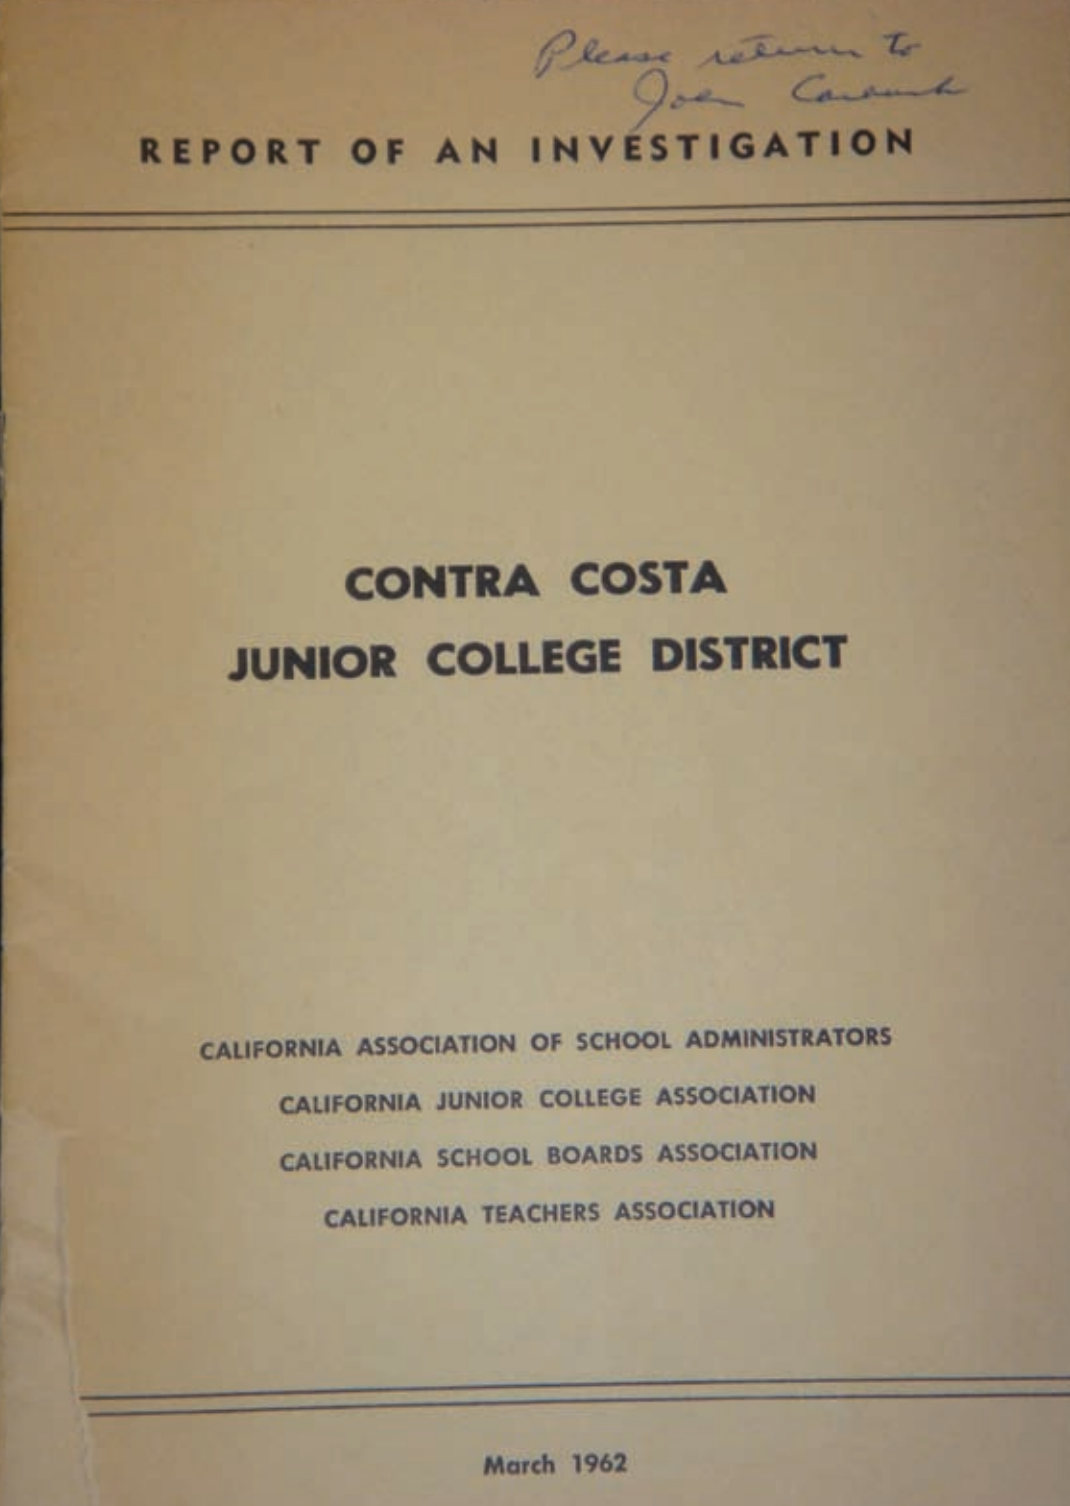

1962, the Governing Board accepts a Quit Claim Deed for 109.5 acres at Camp Stoneman, the future site of LMC.

This 1963 photo captures how the CCC Library became an important gathering point on campus for students.

(Left) A 1962 Presentation of Investigative Report of the District by a group representing the California Association of School Administrators, California Junior College Association, California School Board Association and California Teachers Association captured the friction between professional staff and Superintendent McCunn. (Right) The Governing Board terminates the services of Superintendent Drummond McCunn on May 28, 1962.

After remaining unfilled for almost three years, the Governing Board finally selects Karl Drexel as Superintendent in 1965.
