Mission

The mission of the Chancellor's Cabinet is to serve as the leadership team ensuring the capacity of our District to educate students effectively and meet the needs of our communities in partnership with classified staff, faculty, and other managers.

Kimberly Papillion Presentation

Cabinet discussed the possibility of having Kimberly Papillion make presentations at each college on bias.

Legislation

Cabinet discussed new state laws that impact the Human Resources area, and potential impacts of the federal tax reform bill to community colleges.

Non Resident Tuition Fees

Cabinet discussed the possibility of adjusting the non-resident tuition fees, and deferred the decision to DVC since that college has the most international students who would be affected by any fee change.

The Contra Costa Community College District, founded in 1948 and governed by a publicly elected five-member Board, is one of the largest multi-college community college districts in California. The mission of the District is to attract and transform students and communities by providing accessible, innovative and outstanding higher education learning opportunities and support services.
