Mission

The mission of the Chancellor's Cabinet is to serve as the leadership team ensuring the capacity of our District to educate students effectively and meet the needs of our communities in partnership with classified staff, faculty, and other managers.

JobLinks 2020

Cabinet reviewed and agreed to support JobLinks 2020 on June 4, 2020, to be held at Contra Costa College. The location at the college will be determined later as bond construction projects starting later this year may limit room availability.

Immigration Legal Services

Cabinet provided support for the District to submit a letter of interest for a grant to provide immigration legal services at all three colleges.

Out-of-State Enrollment

Cabinet was briefed on the issue that California community colleges do not have a reciprocal agreement with other state higher education institutions to serve out-of-state students. This places the District out-of-compliance with federal regulations, and Cabinet discussed options to pursue.

The Contra Costa Community College District, founded in 1948 and governed by a publicly elected five-member Board, is one of the largest multi-college community college districts in California. The mission of the District is to attract and transform students and communities by providing accessible, innovative and outstanding higher education learning opportunities and support services.
