Contra Costa Community College District Governing Board Announces Search for New Permanent Chancellor

MARTINEZ, CA – At their July 12, 2023, Governing Board (Board) meeting, the Board announced their decision to move forward with the recruitment of a permanent Chancellor, and provided staff with direction to proceed with the recruitment process. The Board is committed to conducting an equitable, inclusive, and transparent search that is consistent with Board policies and district procedures, and that will attract outstanding candidates for this opportunity.

The Board’s goal is to complete the search process and announce the new Chancellor by December 2023, with a start date of January 2024.

“We look forward to the recruitment of our permanent Chancellor,” said Board President Fernando Sandoval. “I join my fellow trustees in welcoming our students, constituency groups, and community’s involvement on choosing the District’s next leader who is equipped to carry on our legacy of affordable and high quality higher education.”

Progress reports and updates will be posted on the District website at www.4cd.edu.

For more details about this search, contact Dr. Micaela Ochoa at mochoa@4cd.edu.
