60th Anniversary Kick-off Event and History Boards

Governing Board members' Tomi Van de Brooke, Jo Ann Cookman, and Dr. Anthony Gordon, joined the Chancellor at the 11/18/08 Contra Costa County Board of Supervisors meeting to accept the resolution declaring December 27, 2008, as Contra Costa Community College District Day.

The District continued celebrating our 60th anniversary with a kick-off reception on December 4 for approximately 150 retirees, elected officials, and community leaders.

Congressman George Miller, also a DVC alumnus, sent a letter sharing his congratulations to the District. State Assemblyman Tom Torlakson and State Senator Mark DeSaulnier presented a joint legislative resolution, and Supervisor Susan Bonilla offered a Contra Costa County Board of Supervisors' resolution recognizing December 27, 2008, as Contra Costa Community College District Day.

A fascinating letter from Scott Gordon, son of founding Governing Board member George Gordon, was read by the Chancellor and revealed a little of the history of how the District was formed. Former chancellor and founding LMC president John Carhart, and long-time Governing Board member Gene Ross, also shared their fond memories of the District. Many of the retirees and employees found the event a wonderful opportunity to catch up with fellow co-workers, and reminisce about the good old days.

The Contra Costa Community College District, founded in 1948 and governed by a publically elected five-member board, is one of the largest multi-college community college districts in California. The mission of the District is to transform and enhance the lives of students, and through them, the communities served.

The kick-off event was also the public unveiling of the history boards, a visual collection of events, decisions and activities that provide a snapshot of the District's rich heritage. The boards are currently available for public viewing at various locations throughout the county. Check out the 60th anniversary website at www.4cd.edu for dates and locations.

The website is also a great place to view other historic photos and read memories left by employees, retirees, and community leaders. Take the time to leave a memory and join the celebration!
