

## POLICIES OF THE GOVERNING BOARD

The Governing Board may adopt such policies as are authorized by law or determined by the Governing Board to be necessary for the efficient operation of the District. Governing Board policies are statements of intent by the Board on a specific issue within its subject matter jurisdiction.

The policies have been written to be consistent with provisions of law, but do not encompass all laws relating to District activities. All District employees are expected to know of and observe all provisions of law pertinent to their job responsibilities.

Copies of all Board policies and administrative procedures shall be readily available to the public and District employees through the District web site.

Policies of the Governing Board may be adopted, revised, or amended at any regular meeting of the Governing Board by a majority vote of the members of the Governing Board. Proposed changes or additions shall be introduced not less than one regular meeting prior to the meeting at which action is recommended. The Board shall regularly assess its policies for effectiveness in fulfilling the District's mission.

Should a statute or Administrative Code section of the State of California be added, repealed or amended, or should a court decision or the Attorney General of the State of California or Board ratification of the specific provisions of a collective bargaining agreement make changes in any of the policies of the Governing Board, or in the Administrative Procedures of this District, the policies and procedures shall be amended to comply.

The Governing Board shall be notified within sixty days of these changes and their effect on the District.
