SAFETY POLICY FOR
CONTRA COSTA COMMUNITY COLLEGE DISTRICT

It is the policy of the Contra Costa Community College District that every employee be provided a safe place and safe conditions in which to work. To this end, every effort will be made in the interests of accident prevention, fire protection and health preservation.

It shall be the responsibility of management to conduct periodic safety inspections, to communicate the results of those inspections to the areas affected, act on and investigate any written employee safety concerns, and to provide safety training where indicated.
