

COLLEGE PARKING REGULATIONS

It shall be the responsibility of the President of each college in consultation with the Chief of District Police Services to designate guest, staff, and student parking areas. Where special conditions exist, such as construction areas and limited roadways, the areas shall be properly posted as to restricted parking areas.

District Police Services shall employ such student personnel as deemed advisable to police the parking lots and roadways. These students shall be paid in accordance with the prevailing student salary schedule.

Violations of parking and driving regulations will be handled in accordance with State law and Board Policy.
