

STUDENT TRIPS

In-state trips and off-campus activities, including intercollegiate athletic activities, organized to supplement an educational program may be approved by the College President or designee. Out-of-state and out-of-country trips must receive prior authorization by the Governing Board. All trips must be directly related to the curriculum or programs of the college, and generally defined as educational experiences which cannot be duplicated on campus.

Title 5, California Code of Regulations, Section 55220
