

DISTRICT INSURANCE

It shall be the policy of the Governing Board that the property/liability insurance business of the District be placed through a joint powers agreement in conjunction with other community colleges as approved by Governing Board resolution. There will be a designated representative and alternate representative on the joint powers agency. Additional specific insurance not covered by the joint powers agency will be purchased subject to Governing Board approval or be placed using the broker designated by the joint powers agency. The Governing Board will be provided copies of the joint powers agency's annual audit.

The District shall assure that students are covered by accident insurance in those instances required by law or contract.

The authority to select or reject insurance carriers, to raise or lower the coverage, add or eliminate policies, or to stay within a joint powers agency, shall remain with the Governing Board.
