

INSTRUCTIONAL MATERIALS

Each college of the Contra Costa Community College District may require students enrolled in credit or noncredit courses and programs to provide certain instructional and other materials including, but not limited to textbooks, tools, equipment, clothing and those materials which are necessary for a student's vocational training and employment if:

1. the instructional and other materials are used in the production of an "end product" that has continuing value to the student outside of the classroom setting; or
2. the instructional and other materials required for the class have a continuing value to the student outside of the classroom setting.

This policy shall be published in each college catalog.
