

SECURITY CAMERA OPERATING POLICY

The Contra Costa Community College District (CCCCD) and its colleges are committed to enhancing the quality of life of the community by integrating the best practices of safety and security with technology. A critical component of a comprehensive security plan is the utilization of a security and safety camera system. In order to enhance security, deter crime, and protect property and the safety of members of the campus community and public, it has been determined that the use of video monitoring, video recording, or other visual digital recording equipment may prevent losses and aid in the law enforcement activities of the District Police Department.
