

CONSTRUCTION CONTRACT CHANGE ORDERS

The Chancellor or designee is authorized to execute change orders which increase the cost of a construction contract subject to the following conditions.

The increased cost of individual changes shall not exceed the amount specified in the applicable California Public Contract Code Section 20651, 20655, 22032(a), as revised in accordance with Section 22020, or ten percent (10%) of the original contract price, whichever is greater.

The Chancellor or designee is authorized to execute change orders which decrease a construction contract cost.

Change orders which do not meet the foregoing conditions shall be approved by the Governing Board prior to execution of the change order by the Chancellor or designee.
