

ALCOHOLIC BEVERAGES

The possession, sale or the furnishing of alcohol on all campuses is governed by California state law and this procedure. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control and the enforcement of alcohol laws on-campus is the primary responsibility of District Police Services. The campuses have been designated "drug free" and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by District Police Services. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this procedure for anyone to consume or possess alcohol in any public or private area of the campuses without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages on campus are permitted if:
