INTRODUCTION

This publication will help you understand the CalPERS *Special Power of Attorney* form and the importance of having one on file. You must complete a power of attorney form while you are able to understand the powers you are granting. If you become incapacitated or otherwise unable to handle your affairs before completing a power of attorney or other estate planning documents, CalPERS may find it necessary to withhold your retirement allowance until a court appoints a conservator to handle your affairs.

Since appointment of a conservator can be both expensive and time-consuming, you should consider completing the CalPERS *Special Power of Attorney* form.

Powers of attorney are not all the same:

- A **durable** power of attorney contains a “durability clause,” which is a provision permitting your designated attorney-in-fact to act on your behalf even if you become incapacitated or otherwise unable to handle your affairs.
- A **special or limited** power of attorney grants only the powers that are specifically stated in the power of attorney document.
- A **contingent/springing** power of attorney only goes into effect once certain conditions that you specify are met. This type of power of attorney is often designed to go into effect if you become disabled, incapacitated, or otherwise unable to handle your affairs.
- A **general (non-durable)** power of attorney permits your attorney-in-fact to act on your behalf in all of your personal affairs. It automatically terminates when you become incapacitated unless it contains a durability clause.
- A **health care** power of attorney permits your attorney-in-fact to make decisions about your health care if you are unable to do so. **CalPERS cannot accept this type of power of attorney for retirement transactions.**

A special power of attorney grants only the powers that are specifically stated in the power of attorney document. The CalPERS *Special Power of Attorney* form only authorizes your attorney-in-fact to handle your CalPERS retirement affairs. It is specifically designed for retirement matters administered by CalPERS, the Judges’ Retirement System I and Judges’ Retirement System II, or the Legislators’ Retirement System. Because of the broad power granted by the CalPERS *Special Power of Attorney* form, we recommend that you consult an attorney before signing this form.

With the appropriate authority, having a CalPERS *Special Power of Attorney* on file with us ensures that your designated attorney-in-fact can perform important duties concerning your CalPERS business, such as address changes, federal or state tax withholding elections, lost or stolen retirement checks, beneficiary designations, or retirement benefit elections should you become unable to act on your own behalf. However, you cannot use the CalPERS *Special Power of Attorney* form to appoint an administrator of your estate before your death.

AUTHORITY GRANTED BY YOUR CaIPERS SPECIAL POWER OF ATTORNEY FORM

You choose the specific authority given to your attorney-in-fact:

- **Select a retirement payment option on your behalf.** If this specific authority is granted, your attorney-in-fact can select a payment option on your behalf.
 - If this authority is not granted, and there is a beneficiary on file, then your attorney-in-fact may elect the Unmodified Allowance or the Return of Remaining Contributions Option 1.
 - If this authority is not granted, and there is no beneficiary on file, then your attorney-in-fact may only elect the Unmodified Allowance.
- **Designate a beneficiary of your retirement benefits.** If this specific authority is granted, pursuant to Probate Code section 4264, your attorney-in-fact may designate a beneficiary or change the beneficiary that you designated. This authority includes designating himself or herself as your beneficiary unless you specify otherwise.
 - If no beneficiary is on file at the time of your death, any retirement benefits payable will be paid as provided in Government Code section 21493 and/or Probate Code section 6402.

DURATION OF YOUR CaIPERS SPECIAL POWER OF ATTORNEY

You can specify when you want your CalPERS *Special Power of Attorney* to commence and terminate:

- **Durable** – The attorney-in-fact's authority will commence immediately and will remain in effect for your lifetime, even if you become incapacitated, unless you specifically revoke it. You may also continue to act on your own behalf.
- **Limited** – You specify a date or event when the attorney-in-fact's authority will commence and terminate.
- **Contingent/Springing** – For the purposes of the CalPERS *Special Power of Attorney* form, the attorney-in-fact's authority will commence only upon a determination that you are unable to handle your own retirement affairs. You specify the name and relationship or title of the person who is authorized to make the determination (usually a physician).
- **General (non-durable)** – The attorney-in-fact's authority will terminate if you become incapacitated. You specify the name and relationship or title of the person who is authorized to make the determination (usually a physician).

CHANGING YOUR POWER OF ATTORNEY

If you change your mind or need to update your CalPERS *Special Power of Attorney* form, you must:

- Complete a new power of attorney form with the changes you desire.
- Inform those who may have a copy of the old power of attorney form that it is no longer valid and ask that copies of the old form be returned to you or destroyed.
- Provide copies of the new power of attorney form to those people who may need to carry out your wishes.

REVOKING YOUR POWER OF ATTORNEY

If you have not executed and submitted a new CalPERS *Special Power of Attorney* form but wish to revoke the power of attorney that CalPERS has on file, you must notify us in writing of your intent to revoke your power of attorney. Your revocation will not be effective until it is provided in writing to CalPERS. We recommend submitting a new power of attorney form to replace the previous one.

Even if you do not specifically revoke your power of attorney, pursuant to Probate Code section 4130(a), if you execute a new power of attorney that is inconsistent with a previous power of attorney that CalPERS has on file, the most recent power of attorney will control regarding the inconsistency. If you still have questions about your power of attorney after reading this publication, you should consult an attorney.

NON-CalPERS POWER OF ATTORNEY DOCUMENTS

The CalPERS *Special Power of Attorney* form is specifically designed to help manage CalPERS retirement issues, but we will also accept other power of attorney documents that specifically grant the attorney-in-fact authority to conduct business with us. **If your power of attorney document does not contain a durability clause, CalPERS will not be able to honor it if you become incapacitated.**

Section 1

Creation of Durable Power of Attorney for Retirement-Related Business

When completing this form, please be sure to print the requested information.

For the purpose of this form, a "principal" is defined as a person who empowers another to act as a representative on his or her behalf.

The "agent" is the attorney-in-fact.

Name of Principal (First Name, Middle Initial, Last Name)		Social Security Number or CalPERS ID	
Address		County	
City	State	ZIP	Daytime Phone ()

By this document I intend to create a power of attorney by appointing the person(s) named below to make retirement-related decisions for me as allowed by the California Probate Code. The authority granted pursuant to this power of attorney is expressly limited to decisions relating to my financial and health benefits under the California Public Employees' Retirement System, the Judges' Retirement System I or the Judges' Retirement System II, and the Legislators' Retirement System, hereinafter CalPERS, JRS I, JRS II, and LRS, respectively. I give my agent, also called an attorney-in-fact, the powers specified herein with the understanding that these powers will be used for my benefit and will be exercised only in a fiduciary capacity. This power does not authorize the appointed agent to make any medical decisions for me.

Section 2

Designation of Attorney-in-Fact (Agent)

If you appoint more than one attorney-in-fact and do not check a box, all of your attorneys-in-fact must act or sign together (jointly).

If you appoint more than one attorney-in-fact, choose the jointly, separately, or alternately check box below:

- Jointly** – All designated attorneys-in-fact must sign for any action. - Separately** – Any one designated attorney-in-fact may act without the other(s).
- Alternately** – Your attorney-in-fact will act in the numerical order you assign in the boxes below.* The successor attorney-in-fact will act if the person you originally appointed is unavailable because of absence, illness, or other temporary incapacity. Delegation of powers to any third party who is not named as an alternate attorney-in-fact is not permitted under this document.

*If you choose "Alternately," identify the order of your attorneys-in-fact in the boxes below.

General Statement of Authority Granted

You must check a box to indicate whether you are granting the specific authority to your attorney(s)-in-fact. If you do not check a box, your attorney(s)-in-fact will not be granted this specific authority.

I hereby grant to my attorney-in-fact full power and authority to transact matters on my behalf relating to CalPERS, JRS I, JRS II, or LRS. I understand that I am granting authority to the attorney-in-fact regardless of whether that person is related to me by blood, marriage, or legal domestic partnership. By signing this Special Power of Attorney form I intend that:

- My attorney-in-fact ([] is; [] is not) authorized to select any retirement payment option available under the retirement plan other than the Unmodified Allowance.

Note: Allowing your attorney-in-fact to choose any retirement payment option available under the retirement plan other than the Unmodified Allowance may reduce the monthly allowance that would otherwise be paid to you during your lifetime.

- My attorney-in-fact ([] is; [] is not) authorized to designate or change my beneficiary.

Note: Allowing your attorney-in-fact to designate or change your beneficiary will also allow your attorney-in-fact to designate himself or herself as your beneficiary unless you specify otherwise below.

On the following lines you may give special instructions limiting the powers granted to your attorney(s)-in-fact.

Section 4

Please be careful in choosing when you want your power of attorney to commence and/or terminate.

My attorney-in-fact is hereby instructed to notify CalPERS in writing of my disability, incapacity, or death immediately upon its occurrence. I understand that I may revoke this power of attorney at any time by providing CalPERS with a written statement of my intent to do so.

Check one box to indicate your choice. Checking multiple boxes may invalidate this form.

Section 5

Warning Statements

Attorney(s)-in-fact may not conduct business by accessing your online myCalPERS account. All contact with CalPERS on your behalf must be made by telephone, by written correspondence, or by visiting a Regional Office.

The "agent" is the attorney-in-fact.

The authority granted by the CalPERS **Special Power of Attorney** form is limited to matters relating to CalPERS, JRS I, JRS II, and LRS. The person designated as your attorney-in-fact does not have any authority over your other real and/or personal property. If you wish that your attorney-in-fact have authority over your real and/or personal property, it is recommended that you seek legal counsel.

You may notice that the language contained in the following Warning Statements refers to more extensive authority than granted by the CalPERS *Special Power of Attorney* form. These Warning Statements are required by Probate Code section 4128 and must be included in all preprinted durable power of attorney forms even though the CalPERS *Special Power of Attorney* form does not authorize your attorney-in-fact to do many of the things mentioned in the Warning Statements. If you are concerned with the Warning Statements or the extent of the authority being granted by the CalPERS *Special Power of Attorney* form, we again recommend that you seek legal counsel.

(Warning): Notice to Person Executing Durable Power of Attorney

A durable power of attorney is an important legal document. By signing a durable power of attorney, you are authorizing another person to act for you, the principal. Before you sign this durable power of attorney, you should know these important facts:

- Your agent (attorney-in-fact) has no duty to act unless you and your agent agree otherwise in writing.
- This document gives your agent the powers to manage, dispose of, sell, and convey your real and personal property, and to use your property as security if your agent borrows money on your behalf. This document does not give your agent the power to accept or receive any of your property, in trust or otherwise, as a gift, unless you specifically authorize the agent to accept or receive a gift.
- Your agent will have the right to receive reasonable payment for services provided under this durable power of attorney unless you state otherwise in this power of attorney.
- The powers you give your agent will continue to exist for your entire lifetime, unless you state that the durable power of attorney will last for a shorter period of time or unless you otherwise terminate the durable power of attorney. The powers you give your agent in this durable power of attorney will continue to exist even if you can no longer make your own decisions regarding the management of your property.
- You can amend or change this durable power of attorney only by executing a new durable power of attorney or by executing an amendment through the same formalities as an original. You have the right to revoke or terminate this power of attorney at any time as long as you are competent.
- This durable power of attorney must be dated and must be acknowledged before a notary public or signed by two witnesses. If it is signed by two witnesses, they must witness either (1) the principal's signing of the power of attorney or (2) the principal's acknowledgement of his or her signature. A durable power of attorney that may affect real property should be acknowledged before a notary public so that it can easily be recorded.
- You should read this durable power of attorney carefully. When effective, this durable power of attorney will give your agent the right to deal with property that you now have or might acquire in the future. This durable power of attorney is important to you. If you do not understand the durable power of attorney or any provision of it, you should obtain the assistance of an attorney or other qualified person.

Section 5, continued

- The legal duty to act solely in the interest of the principal and to avoid conflicts of interest.
• The legal duty to keep the principal's property separate and distinct from any other property owned or controlled by you.

You may not transfer the principal's property to yourself without full and adequate consideration or accept a gift of the principal's property unless this power of attorney specifically authorized you to transfer property to yourself or accept a gift of the principal's property.
