4. BENEFIT PROVISIONS

What is the disability income benefit?

Disability income benefits are benefits paid to you to partially replace your income if you become Disabled while insured.

When do disability income benefits become payable?

We will pay you a benefit as calculated below, for a Period of Disability, subject to all the terms of the Policy if you:

- send Proof to us that you have become Disabled;
- are insured under the Policy at the time your Disability commences; and
- have completed your Elimination Period shown in the Benefit Highlights.

How is the benefit calculated for a Total Disability?

To determine the benefit we will pay each month you are Totally Disabled we will subtract all Deductible Sources of Income from the lesser of:

- the Benefit Percentage multiplied by your Total Monthly Earnings; or
- the Maximum Benefit.

The result is your Total Disability benefit.

The benefit payable will never be less than the Minimum Benefit shown in the Benefit Highlights.

How is the benefit calculated for a Partial Disability?

To determine the benefit we will pay for the first 12 months while you are Partially Disabled, add your Deductible Sources of Income and your Disability Earnings to your Gross Benefit for a Total Disability.

If the calculation above is more than 100% of your Indexed Total Monthly Earnings, subtract the amount in excess of 100% from your benefit for a Total Disability. The result is your benefit for a Partial Disability.

If the calculation above is 100% or less than your Indexed Total Monthly Earnings, your benefit for a Partial Disability is the same as your benefit for a Total Disability.

If you are earning 20% or less of your Indexed Total Monthly Earnings, a Total Disability Benefit will be paid. The Benefit will never be less than the Minimum Benefit shown in the Benefit Highlights unless otherwise specified in **"What happens when the Other Income benefits have been awarded or have been denied?"**.

If you continue to be Partially Disabled after receiving Partial Disability benefits for 12 months, your Partial Disability benefit will be recalculated based on the following formula:

(A divided by B) multiplied by C

where:

- A = your Indexed Total Monthly Earnings minus your Disability Earnings.
B = your Indexed Total Monthly Earnings.
C = your benefit for a Total Disability.

If you are earning 20% or less of your Indexed Total Monthly Earnings, a Total Disability Benefit will be paid. The Benefit will never be less than the Minimum Benefit shown in the Benefit Highlights unless otherwise specified in **"What happens when the Other Income benefits have been awarded or have been denied?"**.

When is the benefit paid?

The benefit will be paid as follows:

- benefits will be paid monthly following your Elimination Period as specified in the Benefit Highlights; and
- for each day for which a benefit is payable, the amount paid will be equal to 1/30th of the benefit.

4. BENEFIT PROVISIONS

What happens if you return to work and become Disabled again?

We will treat this new Disability as part of your prior Disability if you returned to work and were Actively at Work for less than:

- six months, if due to the same or related causes; or
- one day, if due to an entirely unrelated cause.

You will not have to complete a new Elimination Period.

Your benefit will be subject to the same terms and conditions as were applicable to the original Disability.

Your benefit will not continue if:

- your coverage under the Policy terminates; or
- you become eligible for coverage under any other group disability income policy.

If your new disability begins later than the time periods specified, you will need to complete a new Elimination Period.

When does your benefit end?

Your benefit will end on the earliest of the date:

- you do not submit to any medical examination or clinical assessment requested by us;
- we determine you are no longer Disabled, even if you choose not to work;
- you reach the end of your Maximum Benefit Duration;
- you do not provide Proof to us that you continue to be Disabled;
- you do not provide Proof that your earnings loss is a direct result of your Disability; or
- the date you earn more than 80% of your Indexed Total Monthly Earnings.

In addition to the circumstances shown above, your benefit is subject to termination as otherwise stated under the terms and conditions of the Policy.

How is Other Income applied to your benefit?

The amount of Deductible Sources of Income you receive will be deducted from your Gross Benefit.

Are you required to apply for Other Income benefits?

You are obligated to apply for any Other Income benefits for which you may be eligible. If you are, or become eligible, for any Deductible Sources of Income, you must apply for that Other Income and make reasonable efforts to reapply for or appeal the denial of any application for that Other Income. Any assistance in that process is not an acknowledgement that you are Disabled or have an eligible claim for benefits.

Is Other Income estimated?

We are entitled to estimate the amount of the Deductible Sources of Income you are eligible to receive and to reduce your benefit by the estimated amount. We will estimate the amount if, at the time of calculating your benefit: (1) the Deductible Source of Income you may be eligible to receive has not been applied for; or (2) if the Deductible Source of Income has been applied for it has not been pursued with reasonable diligence; and (3) we have a reasonable good faith basis to believe that you are entitled to such Deductible Source of Income and can reasonably estimate the amount of it. The estimate will be used to reduce the amount of your benefit until the Deductible Source of Income has been awarded or denied.

We will not estimate if:

- you have applied for the Other Income benefits; and
- you agree to appeal, with reasonable diligence, any denials of any Deductible Sources of Income benefits to all appropriate levels available to you.

4. BENEFIT PROVISIONS

What happens when the Other Income benefits have been awarded or have been denied?

You must notify us of the amount of Other Income Benefits when it is approved or adjusted (other than cost of living increases). If necessary we will make an adjustment to your benefit. If you have been underpaid, we will immediately make a lump sum payment to you of the amount that has been underpaid. If you have been overpaid, you must reimburse us the amount of the overpayment within 31 days of the award. We have the right to reduce or eliminate your future benefit payments until you have repaid the amount of the overpayment. During the overpayment reimbursement period, the Minimum Benefit will not apply.

What happens if you receive increases in your Other Income benefits?

After the first deduction for each of your Deductible Sources of Income benefits, we will not reduce your benefit payments due to cost of living increases you receive from any sources described as Deductible Sources of Income. This does not apply to any increase in earnings you receive from employment.

What is the Social Security Disability Income Assistance Program?

At your request, we will assist you (if appropriate) through the various levels of the Social Security claims process, including the application and appeals processes.

5. ADDITIONAL BENEFITS

You are insured for the additional benefits shown below provided you:

- are eligible for those benefits; and
- are enrolled for those benefits.

These additional benefits are subject to all the terms and conditions of the Policy. In addition to the termination provisions shown in the Eligibility, Effective Dates and Terminations section, termination provisions specific to an additional benefit are shown in this section.

CONVERSION PRIVILEGE

What is the Conversion Privilege?

If your coverage ceases due to termination of your employment, you may be eligible to participate in a group conversion policy.

How are you eligible for coverage under the Conversion Policy?

You are eligible if:

- your coverage ends because your employment terminates; and
- you were covered for at least 12 consecutive months immediately before your coverage under the Policy terminated.

To apply for coverage under the Conversion Policy, you must, within 31 days of your termination, submit to us an application and the first premium payment.

When is coverage under the Conversion Policy not available?

Conversion is not available to you if:

- you have retired;
- you have reached age 70;
- you are not in an Eligible Class under the Policy;
- the Policy has been amended to exclude your Eligible Class;
- you have failed to make any required premium contributions;
- you are Disabled; or
- you become covered under another employer's disability plan within 31 days after your insurance terminates under the Policy.

SURVIVOR BENEFIT

What happens to your benefit if you die?

If you die while insured under the Policy, we will pay a lump sum benefit to your Eligible Survivor provided:

- you were Disabled prior to your death;
- you completed your Elimination Period; and
- we receive Proof of your death.

How is the Survivor Benefit determined?

If the above conditions are met, we will pay your Eligible Survivor 6 times your Gross Benefit for the month prior to your death.

Only one lump sum will be paid regardless of the number of Eligible Survivors. If there is more than one Eligible Survivor, the lump sum will be paid in equal shares to those persons.

If you do not have an Eligible Survivor, the Survivor Benefit will be payable to your estate.

For the purposes of this Survivor Benefit:

Eligible Survivor means your Spouse. If you do not have a Spouse at the time of your death, your children who are under age 25 are your Eligible Survivors.

5. ADDITIONAL BENEFITS

WAIVER OF PREMIUM

Are you required to pay premiums while you are Disabled?

We will waive the premium payments for your insurance under the Policy beginning the first of the month following completion of your Elimination Period. The waiver will continue as long as benefits are payable under the Policy. If the Policy is in force when your Disability ends, you will remain insured if you return to an Actively at Work status in an Eligible Class and premium payments for your insurance under the Policy are made on the first of the month following the date you are no longer Disabled.

6. EXCLUSIONS AND LIMITATIONS

What are the exclusions?

No benefit is payable to you under the Policy for any Period of Disability or other loss for which benefits are payable that is caused by, contributed to in any way or resulting from:
