OON Claims Submission

Log in to your account at:
vsp.com/claims/submit-oon-claim

Submit an Out-of-Network Claim

If you've received eye care services (exam, contacts, or glasses) from an out-of-network provider, you may be able to submit a claim to request partial reimbursement.

Your benefits will always go further when you select an in-network doctor. However, if you'd like to submit an out-of-network claim, be sure to answer all the questions and attach any itemized receipts related to your claim.

The claim form takes just a few minutes to complete. To submit a claim request, you'll need the following:

1. Please attach a readable copy of itemized receipts, invoices, or statements that contain all of the following information:

- Name of provider (ex. doctor, office, website, or retailer)
- Name of patient
- Date service was received (ex. date of exam or date glasses were ordered)
- Complete description and amount paid for each service

2. After completing the claim form, you may upload your receipt(s) OR print and mail copies of your claim form and receipt(s) to:

Vision Service Plan
Attention: Claims Services
P.O. Box 495918
Cincinnati, OH 45249-5918

Tip: If you are submitting for materials (contacts, lens, or frame) only, you will not need to input your doctors information. You will need the information of the location from which your materials were purchased. Missing information and receipts can delay your reimbursement. Fill out the form completely and if you're filling it out online, snap a legible picture of your receipt and attach it to your claim to get your reimbursement faster. If you have receipts for other services you must complete a separate claim form.

Don't like filling out forms? Neither do we! That's why we make it easy to get the most out of your benefits simply by seeing an in-network doctor. Plus, when you use your vision benefits in-network, you can save up to \$470.* There are no claim forms to fill out when you see a VSP network doctor. Before your next visit, find a VSP network doctor near you to help keep your eyes healthy and your wallet happy.

You typically have 12 months from the date of service to submit for reimbursement. Failure to submit your out-of-network claim within 12 months of the date of service may cause your claim request to be denied. Please allow up to 20 business days (plus mailing time to and from VSP) for us to process your reimbursement.
