- 1.1 **RECOGNITION AS EXCLUSIVE REPRESENTATIVE:** The Governing Board of the Contra Costa Community College District, hereinafter referred to as the "Board" or the "District," hereby recognizes the Public Employees Union, Local No. 1, hereinafter referred to as "Local 1" or the "Union," as the sole and exclusive bargaining representative of employees in the Classified Services Unit, enumerated in the stipulated Agreement, executed and attached hereto as Exhibit "A."
- 1.2 **NEGOTIATE ONLY WITH LOCAL 1:** The District agrees not to negotiate with any other organization in matters upon which Local 1 is the exclusive representative, and agrees not to negotiate with any member of the unit individually during the duration of the Agreement on matters subject to negotiations.
- 1.3 **LOCAL 1 RECOGNIZES BOARD AS ELECTED REPRESENTATIVES:** Local 1 recognizes the Board as the duly-elected representative of the people and agrees to negotiate only with the Board representatives officially designated by the Board to act in its behalf. Local 1 further agrees that neither it nor any of its members or agents will attempt to negotiate privately or individually with the Board, any Board member, administrator or other persons not officially designated by the Board as its representative.

ARTICLE 2

SEPARABILITY AND SAVINGS

- 2.1 **SEPARABILITY AND SAVINGS CLAUSE:** If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.
- 2.2 **RENEGOTIATE INVALIDATED SECTION(S):** In the event of invalidation of any article or section of this Agreement, the parties agree to meet and negotiate within thirty (30) days after each determination for the purpose of arriving at a mutually agreeable resolution to the invalidated or statutorily changed section.

ARTICLE 3

WAIVER OF BARGAINING

- 3.1 **FULL AND COMPLETE AGREEMENT:** This Agreement shall constitute the full and complete commitment between both parties. This Agreement may be altered, changed, added to, deleted from or modified only through voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

 - 3.2.2 Even though not within the knowledge or contemplation of either party at the time of negotiations;
 - 3.2.3 Even though during negotiations the matters were proposed and later withdrawn;
 - 3.2.4 It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law, and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary with the District.
 - 3.2.5 It is also understood that the District will not change, alter, amend or otherwise invalidate any written District policy within the scope of representation for the duration of this Agreement.
 - 3.2.6 Such waiver does not preclude bargaining collectively for subsequent, new collective bargaining agreements during the term of the Agreement.

- 4.4 **EACH PARTY CAN HAVE TWO REPRESENTATIVES:** Neither party shall have more than two (2) representatives at any such meeting unless mutually agreed to prior to the meeting. 7.8.6.2.2 Specifying the amount of such delinquency.

7.8.6.2.3 Notifying the employee that unless all delinquent amounts are tendered to Local 1 at their business office within 15 calendar days of the notification, the employee will be reported to the District for the commencement of termination proceedings.

7.8.6.3 After the 15-day period set forth in 7.8.6.2.3 above has elapsed, Local 1 must provide the District with evidence that the employee has not complied with the notification of delinquent dues, assessments or fees, and must further request the District to commence termination proceedings against the employee, in substantially the following language:

“Local 1 certifies that (the employee’s name) has failed to tender either uniformly-required Local 1 dues, assessments, service fees and/or fees for other services provided by Local 1 required as a condition of that employee’s continued employment under the existing contract between Local 1 and the District, after a written notification to do so. Pursuant to the terms of the contract, Local 1 demands the District commence termination proceedings against (the employee’s name).”

7.8.7 Local 1 agrees the District shall not be liable to Local 1 pursuant to this Article for the payment of any sums other than those constituting actual deductions from the pay warrants of employees made pursuant to this Article.

7.8.8 Local 1 agrees it shall indemnify and hold the District harmless from any liability arising from any and all claims, demands, lawsuits or other actions arising from implementation or compliance with this Article, or District reliance on any list, notice, certification or authorization furnished under this Article. Local 1 further agrees to refund to the District any sums paid to Local 1 in error by the District.

7.9 **OFFICIAL RECORDS:** Board minutes and fiscal reports approved by action of the Board shall be available for Local 1 review. The District shall furnish Local 1 with twelve (12) copies of all official Board minutes and twelve (12) copies of each Board agenda “packet,” excluding all confidential information or materials as defined by applicable law.

7.10 **POST REQUIREMENTS:** The District and Local 1 agree that they shall abide by and be subject to all POST requirements.

7.11 **PAPER SCREENING PROCESS AND USE OF OTHER UNIT MEMBERS:** The procedure for recruitment/selection of classified employees includes a process where District Human Resources performs all application screening, including paper screening of submitted application packets. The District recognizes that the Union has an interest in supporting effective recruitments to fill unit vacancies. Towards that end, the parties agree that after District Human Resources has completed the paper screening of applications for a particular recruitment, a mutually agreed upon unit employee representing the Union shall review the results within 24 hours and submit any questions or complaints to the assigned District Human Resources Representative. District Human Resources shall answer any questions that might be raised by the Union representative and investigate any complaints raised by the Union representative. Questions and complaints will be answered in a reasonable time frame, which both sides agree shall be no more than five (5) working days. The recruitment process may then continue.

7.11.1 No other represented bargaining unit members shall be allowed to participate in the application screening or any other recruitment/selection process to fill Union represented positions except as noted below.

7.11.2 If the District believes that an oral interview panel screening process would be enhanced by the inclusion of another represented bargaining unit member, the District will make a recommendation to Local 1 and the Union shall either agree or disagree with that recommendation within 24 hours. If there is no agreement, then no other represented bargaining unit members shall participate in the recruitment/selection process.

7.12 **SCREENING INTERVIEW COMMITTEES:** A Local 1 representative shall sit on all screening interview committees for Local 1 positions. Local 1 reserves the right to designate the Local 1 representative. Section 7.12 does not pertain to members of the hiring committee.

7.12.1 The manager in charge of the hiring process will make a tentative selection of a classified staff member to sit on the Screening Interview Committee. The person selected should have particular expertise regarding the position. The manager will then notify the college (or District Office) Local 1 vice-president of the selection and ask for union approval. Since time is usually of the essence in hiring, this notification can be done by phone, with a follow-up memo or e-mail. If the Local 1 vice-president does not agree, another selection will be made. The same process will be followed until a mutually-agreeable choice is found.

7.12.2 If the oral screening committee and the final hiring oral process are combined into one, a Local 1 representative shall still be allowed to participate.

- 8.1 **LIMITED ONLY BY SPECIFIC/EXPRESS TERMS OF CONTRACT:** Local 1 recognizes and agrees that the exercise of the express and implied legal powers, rights, duties and responsibilities by the Board, e.g., the adoption of policies, rules, regulations and practices in furtherance of these powers, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.
- 8.2 **ENUMERATION OF MANAGEMENT RIGHTS:** Local 1 recognizes and agrees that the District powers, rights, authority, duties and responsibilities include, but without limiting the generality of the foregoing, the exclusive right to manage its operation; direct, select, decrease and increase the workforce, including but not limited to, hiring, demotion, suspension, layoff, or discharge; to maintain discipline and efficiency of employees, to prescribe rules to that effect, to establish and change standards, to determine the qualifications of employees; the right to make all plans and decisions on matters involving its operations; to determine solely the extent to which the facilities of any department thereof shall be operated, the additions thereto, the removal of equipment, the outside purchase of products or services, the scheduling of operations, the means and processes of operations, the materials to be used, and the right to introduce new, or improved, methods and facilities, and to change or alter any existing methods and facilities; to regulate quality and quantity of services and to otherwise take any actions desired to run the entire operation efficiently.
- 8.3 **EMERGENCY POWERS:** Local 1 recognizes and agrees that the District retains its rights to amend, modify or rescind policies and practices referred to in this Agreement in case of emergency. An emergency is considered an Act of God, a natural disaster, or other dire interruption of the District program (dire interruption shall not include strike by other employee organizations or students). Where an emergency is declared, the District shall immediately notify and consult with Local 1. Local 1 agrees it will abide by such emergency decisions of the Board during the time of the declared emergency.
- 8.4 **GRIEVE DECLARATION OF EMERGENCY:** The District agrees that in regard to a declared emergency and decisions made therein, that Local 1 shall have the right to subject such declaration and decisions made therein to the provisions of the "Grievance Procedure," Article 10, herein.
- 8.4.1 The District agrees to maintain a disaster preparedness plan(s) which shall address the emergency needs and procedures of each college and the District Office and to provide a copy of same to Local 1.
- 8.5 **PHYSICAL EXAMINATION:** An employee may be required by the District to be examined by the District physician(s) at any time while in paid or unpaid status. The cost of this or any subsequent examination required by the District shall be paid by the District.
- 8.6 **PROBATIONARY PERIOD:** All new regular employees hired on January 1, 2002 or after shall serve a one-year probationary period. Employees who are promoted into a classification requiring a twelve-month probationary period shall serve a six-month probationary period. The exception to the six-month promotional probationary period shall be those classifications in I.T. and Police Services. Promotional employees in these classifications shall have a one year probationary period.

- 8.6.1 For promotional employees who are serving six-month probationary periods, management can extend the probationary period as follows. Where management determines that an employee who is marginal for retention at the third (3rd) probationary evaluation may be a satisfactory employee if given specific counseling and assistance within another three (3) month period, and the employee agrees to a probationary extension, the District may extend such probationary period an additional three (3) months. A full, final evaluation shall be conducted between the eighth (8th) and tenth (10th) week of such extended period. Services may be terminated at any time during the regular or extended probationary period at the sole discretion of management.
- 8.6.2 All employees who are required to serve a twelve month probationary period shall be evaluated at the completion of the third (3rd) month of service, the completion of the sixth (6th) month of service, the completion of the ninth (9th) month of service, and a final probationary evaluation at the completion of the eleventh (11th) month of service.

ARTICLE 9

LEAVES

- 9.1 **BEREAVEMENT LEAVE:** Employees may be granted, without loss of salary or other benefits, leave of absence not to exceed five (5) working days per occurrence on account of death of any member of the member's immediate family. These five (5) days of bereavement leave do not need to be taken consecutively.
- 9.1.1 "Member of the immediate family" as used in this section means the mother, father, grandmother, grandfather, or grandchild of the employee or the employee's spouse, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, sister, brother-in-law, sister-in-law of the employee, or any relative or domestic partner (as defined in this contract) living within the immediate household of the employee. The above definition of family may be by blood, marriage, foster family, legal guardianship or step family relationship.
- 9.1.2 A one-day (1 day) extension of bereavement leave may be requested by the employee. Such extension shall be with salary for the period of time covered by the extension, including the above, when approved by the Chief Human Resources Officer or designee.
- 9.1.3 For occurrences not covered by "Bereavement Leave" see Personal Necessity Leave (9.3), Sick Leave (9.6) or Vacation Leave (9.10).
- 9.2 **JURY DUTY AND WITNESS LEAVE:** When regularly called for jury duty or as a witness in the manner provided by law, employees shall be granted a leave of absence without loss of pay for the time the employee is required to perform jury duty or act as a witness during the employee's regularly assigned working hours.
- 9.2.1 Request for jury duty or witness leave should be made by presenting, as soon as possible, the official court summons to the employee's immediate supervisor and to the District Payroll Office through regular administrative channels.
- 9.2.2 Reimbursement to the District of any monies earned as a juror, or witness, except mileage or meals, shall be made by the employee.
- 9.2.3 An employee regularly called for jury duty shall not be encouraged in any way to seek exemption from such duty nor shall he/she be discriminated against in any way for not seeking such exemption.
- 9.2.4 Employees who work a schedule other than the day shift shall be given allowance for having served on jury or witness leave during the day. For every hour on jury or witness leave during any one day, the employee shall be granted one hour of release time on his/her subsequent swing or graveyard shift schedule taking place within the same calendar day (up to the maximum number of regular hours an employee normally works).
- 9.3 **PERSONAL NECESSITY LEAVE:** An employee may be granted a maximum of seven (7) days leave of absence in any school year without loss of pay, in cases of personal necessity. Such leaves shall be deducted from the employee's accumulated sick leave.

9.3.1 Personal necessities include:

- 9.3.1.1 Serious illness or death of a member of the immediate family; or
- 9.3.1.2 An accident involving his/her person or property, or the person or property of a member of his/her immediate family; or
- 9.3.1.3 Appearance in court as a litigant; or
- 9.3.1.4 Serious illness or death of an individual who is not a member of immediate family, but is considered to be closely associated to the member and/or his or her family; or
- 9.3.1.5 Special religious observances of the employee's faith.

9.3.2 Usage of such leave shall be at the election of the employee. However, reasonable notice in advance is required, where possible, and District approval must be obtained prior to the leave payment being processed.

9.3.3 This leave specifically does not include any recreational use nor any use related to present or prospective employment. Such leave as applied or used, and/or granted, must be matters which cannot be accomplished other than during the employee's regular working hours, or, deferred to a more convenient date or time to accommodate the regular work schedule.

9.3.4 "Immediate family" will be interpreted to mean the mother, father, grandmother, grandfather, or a grandchild of the employee or of the spouse of the employee, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister, brother-in-law and sister-in-law of the employee, or any relative or domestic partner (as defined in Section 20.4.14) living in the immediate household of the employee. The above definition of family may be by blood, marriage, foster family, legal guardianship or step family relationship.

9.4 **RELIGIOUS LEAVE:** An employee may request personal necessity leave, vacation leave, or compensatory time for special religious observances of the employee's faith falling on a regular working day. If no such leave is available, the employee may request unpaid leave. Requests for religious leave may not be arbitrarily or capriciously denied.

9.5 **INDUSTRIAL ACCIDENT OR ILLNESS:** Employees shall be eligible to receive up to sixty (60) days leave with pay for the same accident. An industrial accident or illness is defined as one where the employee becomes ill or is injured while he/she is serving the District, and the accident or illness is reported to the Contra Costa County Schools Insurance Group (or another insurance carrier so designated by the District) in accordance with their regulations, and the Contra Costa County Schools Insurance Group accepts responsibility for the treatment of the employee.

9.5.1 Industrial accident or illness leave will commence on the first (1st) day of absence. Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

9.5.2 Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day. Industrial accident leave will be reduced by one (1) day for each

day of authorized absence regardless of a compensation award made under workers' compensation.

9.5.3 The industrial accident or illness leave of absence is used in lieu of entitlement acquired under Section 88191 of the California Education Code or Section 9.6 of this contract. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used; but if any employee is receiving workers' compensation, he/she shall be entitled to use only so much of his/her accumulated or available sick leave, accumulated compensating time, vacation, or other available leave, which, when added to the workers' compensation award, provides for a full day's wage or salary.

9.5.4 Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee.

9.5.5 During all paid leaves of absence, whether industrial accident leave as provided in this section, sick leave, vacation, compensated time off, or other available leave provided by law, or the action of the District, the employee shall endorse to the District wage loss benefit checks received under the workers' compensation laws of this state. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.

9.5.6 When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of his/her position, he/she shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) month period, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates except for a reemployment list established because of a lack of work or lack of funds, in which case he/she shall be listed in accordance with appropriate seniority regulations. An employee who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed. The District shall require certification by the attending physician that the employee is medically able to return to and perform the duties of his/her position. The District shall have the right to confirm through its doctors the employee's medical condition and ability to perform the functions of the job by a physical examination(s) paid for by the District.

9.5.7 Any employee receiving benefits provided in this section shall, during periods of injury or illness, other than for periods of no more than three (3) consecutive days, remain within the State of California, unless approved in advance by the Chief Human Resources Officer or designee.

9.5.8 Upon formal written petition of the employee, the District reserves the right, in its sole discretion, based upon each individual case and facts presented, to grant an employee extension of leave of absence for industrial accident or illness leave.

9.6 **SICK LEAVE:** Employees employed five (5) days per week shall be entitled to twelve (12) days leave of absence for illness or injury with full pay for a fiscal year of service. This entitlement shall be credited at the commencement of employment or at the start of each succeeding fiscal year (July 1) to full-time employees. Fractional assignments shall receive proportionate leave entitlement.

- 9.6.1 Employees employed five (5) days a week for less than a full fiscal year are entitled to that proportion of twelve (12) days leave of absence for illness or injury as the number of months employed bears to twelve.
- 9.6.2 Employees employed less than five (5) days a week shall be entitled, for a fiscal year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days employed per week bears to five (5). When such persons are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 9.6.3 Pay for any day of such absence shall be the same as the pay that would have been received had the employee served during the day. Credit for leave of absence need not be accrued prior to taking such leave by the employee and such leave of absence may be taken at any time during the year. New employees of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which they may be entitled under this policy, until the first (1st) day of the calendar month after completion of six (6) complete months of active service with the District.
- 9.6.4 If the employee does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year.
- 9.6.5 Sick leave may be used for visits to medical doctors, dentists, optometrists, oculists, chiropractors, chiropractors, psychiatrists and Christian Science practitioners. Such leave shall be reasonably scheduled so as to interfere as little as possible with the operations of the District and shall be of reasonable duration. Where possible, employees shall provide at least five (5) days advance notice of medical appointments under this section.
- 9.6.6 All sick leave absence shall be reported in writing on District determined forms to the appropriate college or district manager. The District reserves the right to require medical verification of illness for any absence of five (5) consecutive days, or, where prior written notice has been given an employee, for shorter periods of time where the District believes there appears to be probable cause for requiring such verification.
- 9.6.7 Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom, are, for all job-related purposes, temporary disabilities and shall be treated as a condition of illness.
- 9.6.8 Employees must be in active employment or on paid leave to earn or use sick leave. Employees on extended illness leave are eligible to earn or use sick leave. Sick leave may be applied only on those days when the employee is required to report for duty but cannot do so because of illness or injury. However, employees who become ill or are injured but are not required to report, such as those on leave or vacation, may use sick leave credited, as stated in 9.10.4, "Vacation" following.
- 9.6.9 Where an employee is separated prior to rendering a complete fiscal year of service, the sick leave entitlement for the partial year shall be that proportion of twelve (12) days leave as the number of months in the fiscal year he/she was employed bears to twelve (12).

9.6.10 Sick leave entitlement shall be reduced by one (1) day for each month an employee is on personal leave without pay. Entitlement shall be granted for all other leaves.

9.7 **EXTENDED SICK LEAVE:** If an employee's absence due to either industrial or non-industrial illness or injury extends beyond accumulated leave for this purpose, the employee will be paid at fifty percent (50%) of his/her regular rate for a period not to exceed one hundred (100) working days. The one hundred (100) working day period shall run concurrently with other paid leaves. An employee may use vacation accumulation to provide an amount equal to a full day's pay during any time when the employee is on 50% pay status. In no event shall this benefit extend beyond one hundred (100) working days in a fiscal year. A regular classified employee shall be required to present a doctor's report stating the start date of the excused absence and/or any work restrictions and the date the employee is anticipated to be able to return to work and/or be released from restrictions to qualify for these benefits. Upon expiration of paid leaves, the employee may also apply for coverage to the disability insurance carrier, according to its procedures.

9.8 **QUARANTINE LEAVE:** Regular classified employees shall receive salaries in full when quarantined by city or county health officers because of another's illness. Such quarantine must be verified by a physician or health officer.

9.9 **HOLIDAY LEAVE:** Holiday leave provisions shall be as noted below:

9.9.1 Employees in the bargaining unit shall be entitled to the following holidays with pay providing the employee is in a paid status the immediate work day before or the immediate work day following such holiday:

New Year's Day
Martin Luther King's Birthday
Lincoln's Birthday
Washington's Birthday
Native American Day
Memorial Day
Independence Day
Labor Day
Veterans Day
Thanksgiving Day
Day after Thanksgiving
Day before Christmas
Christmas Day
December 31

9.9.2 Regular employees of the District who are not normally assigned to duty during the school holidays during Christmas recess shall be paid for those holidays received by regular classified employees provided they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

9.9.3 It is agreed by the parties that there shall be five (5) additional Board granted local classified holidays each fiscal year of this contract that will be granted during the holiday recess period for all classified employees.

9.9.4 It is agreed that certain positions or classes within the Police, Payroll and Information Technology Services may be required, due to business necessity, to perform

services on Board holidays during the Christmas recess period. The District shall notify the Union by November 1, concerning the positions, classes and individuals affected. Any employee required to work on such holidays shall be compensated at the overtime rate of time and one-half (1.5) in addition to his/her regular salary.

- 9.9.5 When a holiday falls on a Sunday, the succeeding workday not a holiday shall be deemed to be a holiday in lieu of the day observed. When a holiday falls on a Saturday, the preceding workday not a holiday shall be deemed to be the holiday in lieu of the day observed.
- 9.9.6 Should a holiday as enumerated above or any other day designated by the Governing Board as a public holiday occur while an employee is absent from work because of sick leave, vacation, or any other paid leave of absence, the holiday shall be considered as time worked and shall not be deducted from his/her other paid leave of absence.
- 9.9.7 Employees shall be entitled to the same number of holidays, regardless of whether they work Monday through Friday or some other shift.
- 9.9.8 An employee required by his/her supervisor to work on a holiday shall receive time and a half in addition to his/her regular day's pay for work on the holiday. If the employee does work and is paid overtime for working on a holiday, he/she shall not receive an additional day off.
- 9.9.9 Where a holiday falls on a non-work day for an employee in the classification of Police Services Officer, that employee will be paid time and one-half in addition to regular salary for the first non-holiday workday following the holiday. That day will be designated as the alternate holiday on the employee's monthly absence report, and he/she shall not receive an additional day off.
- 9.9.10 Where a holiday falls on a non-work day for a classified employee, the employee will be given time off in-lieu of the holiday at the same ratio as their work schedule bears to full-time employees, within the same pay period (currently calendar month). The in-lieu time off may be before or after the actual holiday.

If, due to business reasons, it is not possible to schedule the in-lieu time off within the same pay period, the in-lieu time off may be taken no later than the next pay period (currently calendar month). Such arrangement must be with the concurrence of the employee and the supervisor.

The amount of in-lieu time the employee is to be given will be the ratio of the employee's total work schedule to the hours given a full-time employee. The actual shift hours and/or days the employee works is irrelevant for calculating in-lieu time off.

Example 1 – An employee works 50% time (20 hours per week), with shifts of Monday – Thursday 5 hours each day. The employee will be granted 4 hours of holiday in-lieu time for each holiday that falls on a Friday. This is calculated by multiplying the percent of time worked (or FTE) by 8 hours for the holiday.

$$50\% \times 8 \text{ hours} = 4 \text{ hours}$$

Example 2 – An employee works 60% time (24 hours per week), with shifts of Monday and Friday 8 hours each day, and Tuesday and Wednesday 4 hours each

day. The employee will be granted 4.8 hours of holiday in-lieu time for each holiday that falls on a Thursday. This is calculated by multiplying the percent of time worked (or FTE) by 8 hours for the holiday.

$$60\% \times 8 \text{ hours} = 4.8 \text{ hours}$$

Holiday in-lieu time off may be combined with accrued vacation time to allow for entire shifts off. All holiday in-lieu hours are to be noted on the absence report in the month taken by using the "HL" notation in the appropriate box.

9.9.11 Pay warrants for December will be distributed between 1:00 p.m. and 5:00 p.m. at the locations' business offices on any regular payday which falls on a day designated for close down, or, which falls on a day other than a legal holiday as specified within the Education Code.

9.9.12 Employees in the classification of Police Services Officer will be required to work on any holiday that falls on a regularly scheduled workday. They will be paid time and one-half in addition to regular salary for all holiday work. If two or more officers regularly work the same day and hours (double coverage), one may elect to observe the holiday. The officer with the highest seniority date electing to observe the holiday will be granted holiday leave. Officers will be permitted to arrange for voluntary substitutes for their holiday shifts from the employees employed as Police Services Officers.

9.10 **VACATION LEAVE:** Employees are entitled to vacation allowance with pay. The base date for calculating vacation entitlement shall be established as the first (1st) of the month of employment if employed between the first (1st) and fifteenth (15th) calendar date of that month or the first (1st) of the following month if employed on or after the sixteenth (16th) calendar date of the month.

9.10.1 Employees shall earn vacation leave with pay as follows (effective July 1, 2002):

9.10.1.1 For the first two fiscal years of service – 8.67 hours per month (13 days annually)

9.10.1.2 Beginning with the third fiscal year of employment through the 10th fiscal year of employment – 12.0 hours per month (18 days annually)

9.10.1.3 Beginning with the eleventh (11th) fiscal year of employment and thereafter – 16.67 hours per month (25 days annually).

9.10.2 Any paid holiday to which an employee is entitled shall not be charged as a day of vacation.

9.10.3 An employee who becomes seriously ill, or is injured, or has a reoccurrence of an industrial accident or injury, during his/her scheduled vacation period, may request that the time be deducted from his/her earned sick leave and the vacation period be rescheduled at a later date or be extended. The request to the College President (or designee) or the Chancellor (or designee) shall be accompanied by a statement of a licensed physician to be submitted prior to the employee's return to work stating that the employee was unable to continue his/her scheduled vacation on the dates indicated.

9.10.4 Employees working less than full-time shall be entitled to vacation allowance at the same ratio as their work schedule bears to the allowance of a full-time employee.

9.10.5 An employee must work or be on paid leave of absence in order to earn full vacation leave for that month. An employee in a paid status for less than a month shall accrue vacation for each hour of paid service, excluding overtime as follows:

9.10.5.1 For the first two fiscal years of service – 0.050000 hours.

9.10.5.2 Beginning with the third fiscal year of employment through the 10th fiscal year of employment – 0.069231 hours.

9.10.5.3 Beginning with the eleventh (11th) fiscal year of employment and thereafter – 0.096194 hours.

9.10.6 When an employee with accrued vacation leave who has worked in regular status for at least six (6) full months is separated from the District he/she shall be paid for the accrued vacation at his/her current rate of pay. An employee who uses vacation during the first six months of employment and subsequently separates from the District prior to the completion of six full months of employment shall have any vacation taken during this period deducted from his/her final paycheck.

9.10.7 Vacation leave, may, with the approval of the District, be taken at any time after it has been earned. If a probationary employee uses vacation prior to the completion of six (6) months of service and then separates from employment with the District prior to six (6) months of service, the employee's final compensation will show a deduction for the used vacation hours.

9.10.7.1 Each department of the District shall, on or around July 1 and January 1 of each year, provide its employees with a voluntary vacation schedule request form for the succeeding six (6) month period. Each employee may, within ten (10) work days after such departmental schedule being furnished:

9.10.7.1.1 Submit vacation requests covering the six (6) month period.

9.10.7.1.2 Such requests shall be considered in order of seniority. Such requests shall be acted on within ten (10) work days thereafter.

9.10.7.1.3 Any such vacation scheduled shall not be altered by the District or employee except in case of emergency or by mutual consent.

9.10.7.1.4 Any employee utilizing this voluntary procedure shall have a super seniority on choice of vacation time over anyone not utilizing the procedure.

9.10.7.1.5 If any employee is not permitted to take his/her full annual vacation due to District requirements or needs, such vacation time shall be rescheduled during the fiscal year. If such rescheduling cannot be accomplished, the amount not taken shall accumulate for use in the next fiscal year. However, in no case may an employee accrue more than forty-five (45) days of vacation leave.

9.10.8 Vacation Leave Approval: All vacation leave must be approved by the District at the convenience of the District so as to disrupt schedules as little as possible. Employees with the most seniority at each location in the District will be given priority in the selection of vacation times. Vacation leave requested for purposes defined in Article 9.3.1.4 shall not be denied arbitrarily or capriciously.

9.10.8.1 The District agrees to honor requests from Police Services Officers for vacation time submitted fourteen (14) working days in advance, subject to the following conditions:

9.10.8.1.1 No more than one-fifth (1/5) of the full-time officers will be on leave during fall and spring registration periods (approximately two [2] weeks prior to and two [2] weeks following the first day of instruction).

9.10.8.1.2 No more than two-fifths (2/5) of the full-time officers will be on leave during other periods unless the District determines it is in the best interest of the District.

9.10.9 No employee may normally take vacation leave in excess of twenty-five (25) consecutive working days without scheduling the leave at least six (6) months in advance, and/or, with the approval of the College President (or designee) or his/her respective Chief Human Resources Officer (or designee).

9.10.10 Vacation leave, at the option of the employee, may be used to extend sick leave when necessary. However, if vacation leave is taken for purposes of illness or injury, the rules regarding its usage shall be identical to sick leave usage.

9.10.11 Vacation leave, up to ten (10) days, may be approved by the first (1st) level supervisor. Vacation requests for time greater than ten (10) days must also receive the approval of the first (1st) level supervisor's manager.

- 11.1 **PROBATIONARY EMPLOYEES' RIGHTS UNDER THIS ARTICLE:** Employees newly hired in the District in probationary positions will not be eligible for promotion until they have gained permanency in the classification, unless approved by the Chief Human Resources Officer or designee.
- 11.1.1 Probationary employees shall not be eligible to exercise their seniority rights under Article 11 unless they have a current satisfactory evaluation and/or an absence of negative documentation in their personnel file, as defined in Article 15 – Personnel Files, they have been in the position at least three months, and the Chief Human Resources Officer or designee has agreed. In this circumstance, an employee shall have an additional three (3) months of probation added to his/her probationary period, so long as the total length of probation does not exceed one (1) year.
- 11.2 **DEFINITION OF TRANSFER:** A movement of the employee within the same campus or from one campus or the District Office to another within the same classification.
- 11.3 **INVOLUNTARY TRANSFERS:** When a transfer is required because of lack of work, lack of funds, abolishment of position, or District efficiency, the District shall:
- 11.3.1 Request and consider volunteers within the classification for such transfer first.
- 11.3.2 Where there are no volunteers, the transfer shall be based on the least seniority within the classification.
- 11.3.3 Where any such transfer would cause a reduction in the number of hours worked per week or months per year, the provisions of Article 13 – Layoff and Reemployment shall apply.
- 11.4 **VOLUNTARY TRANSFERS:** The following provisions shall apply to all voluntary transfers.
- 11.4.1 **Submission of Transfer Request:** Notices of vacant positions shall be posted via email at least five working days prior to recruitment. Employees in the vacant position classification shall have five working days from the time of posting to submit a request to transfer to District Human Resources. Employees submitting a transfer request will be considered for eligibility in seniority order. Where two or more eligible employees have the same seniority within the classification, the seniority preference shall be determined by lot in the presence of a Union representative, if requested.
- 11.4.2 **Transfer by Seniority:** The most senior willing, available and able transfer candidate on the eligibility list shall, if requested by the hiring supervisor or the employee, meet with the supervisor to tour the facility, review the desirable qualifications, discuss the vacant position, and the supervisor's expectations for the employee. After the interview, assuming one is held, the transfer candidate shall notify District Human Resources as to whether or not he/she is accepting the position. If the transfer candidate accepts the position, the transfer candidate's current immediate supervisor and the receiving supervisor shall work out the effective date of the transfer. If the senior willing,

available and able transfer candidate does not accept the position, the next senior willing, available and able transfer candidate on the eligibility list shall be contacted and the process noted in this section shall be repeated until the position is filled or no transfer candidates are left on the eligibility list.

11.4.3 Transfer Candidate Return Rights: A transfer candidate who accepts a transfer and subsequently begins employment in the new position shall have the right to return to the position that the employee held immediately before moving into the new position for a maximum period of fifteen (15) work days.

If the supervisor rejects the employee during this thirty (30) work day period, the employee shall have the right to return to the position that the employee held immediately before moving into the new position. During this thirty (30) day period, the employee and supervisor will meet to discuss the performance of the employee and to provide advice and assistance if needed.

11.5 **JOB OPENINGS – NON-TRANSFER OPPORTUNITIES:** The following provisions shall apply to all unit openings that are not filled through voluntary transfer pursuant to Section 11.4.

11.5.1 Determination of Recruitment Type: The District is committed to providing promotional opportunities where appropriate for all qualified District employees. District Human Resources shall determine if a vacancy shall be filled from an existing eligibility list, a new promotional eligibility list (internal candidates only), or an open eligibility list (internal and external candidates). After considering existing eligibility lists, the first priority shall be filling a vacancy through an internal recruitment (if applicable state laws and regulations permit it). If District Human Resources decides to conduct an open recruitment, and three internal ranks of willing, available and able employees are successful in making the eligibility list, the employees shall be placed on a separate internal list and this list shall have priority over the open list until it falls below three ranks of willing, available and able employees. At that point, any remaining employees shall be merged with the open list and given appropriate seniority points.

11.5.2 Internal Recruitment: If it is determined that an internal recruitment is appropriate and that applicable state laws and regulations permit it, the District shall post the recruitment for a minimum of ten (10) working days. During this time, internal applicants who are not on probation may apply.

11.5.2.1 District Human Resources shall review all completed applications submitted by the deadline. Those candidates meeting the minimum qualifications shall proceed to the various employment test segments of the recruitment.

11.5.2.2 Successful candidates shall be ranked by District Human Resources based on performance on the various test segments. Final scores shall be based on a 100-point scale, with final scores rounded to the nearest whole number.

11.5.2.3 The top three ranks of candidates willing, available and able shall be forwarded to the hiring authority for a final interview. Ranks shall be determined in two percentage point bandwidths. The hiring authority shall

interview the eligible candidates certified by District Human Resources and make a recommendation as to which candidate(s) to hire.

11.5.2.4 After District Human Resources approves the recommendation, the approved candidate shall be offered the position. If the approved candidate declines the offer, the hiring authority can recommend another candidate already interviewed by him/her. In the alternative, if the pool of interviewed candidates has now fallen below three ranks of willing, available and able candidates due to the candidate declining, the hiring authority can interview the next rank of eligible candidates willing and able to take the position. As a final alternative, if candidate's declining results in the total eligibility list falling below three ranks of willing, available and able candidates, the hiring authority can request a new recruitment from District Human Resources.

11.5.2.5 If an eligibility list falls below three ranks of eligibles who are willing, available and able, the hiring authority may choose to interview or choose not to interview. If the hiring authority interviews, he/she is not required to accept any of the candidates and can request that District Human Resources initiate a new recruitment. If the hiring authority chooses not to interview, he/she can request that District Human Resources initiate a new recruitment.

11.5.2.6 Any eligibility list resulting from an internal recruitment shall be valid for a minimum of three (3) months and a maximum of one (1) year from the date approved by District Human Resources. An internal eligibility list may be extended by up to an additional twelve (12) months with the approval of the Chief Human Resources Officer or designee. Internal eligibility lists may be used to fill vacancies within that classification. In the alternative, District Human Resources can determine to not use an existing list and can begin a new recruitment process.

11.5.3 Open Recruitment: If it is determined that an open recruitment is appropriate, the District shall post the recruitment for a minimum of ten (10) working days and may include "or until filled." During this time, internal applicants who are not on probation may apply as well as outside applicants.

11.5.3.1 District Human Resources shall review all completed applications submitted by the deadline. Those candidates meeting the minimum qualifications shall proceed to the various employment test segments of the recruitment.

11.5.3.2 The Screening interview Committee will rate applicants on a 100-point scale, with scores rounded to the nearest whole number. The committee will forward the top candidates to the final interview. If less than three candidates are forwarded to the final interview, the screening committee will provide written documentation as to why at least three candidates were not forwarded. In addition, internal candidates shall have added to their screening interview scores one point for every two full years of regular service with the District, up to a maximum of seven (7) points. With the addition of seniority points, internal candidates who have screening interview scores at least as high as the lowest score among candidates forwarded by the screening committee will be added to the list of final interview candidates. Final interviews with less than three candidates may

be allowed upon review and approval of the Chief Human Resources Officer or designee.

- 11.5.3.3 The hiring authority shall interview the eligible candidates certified by District Human Resources and make a recommendation as to which candidate(s) to hire.
- 11.5.3.4 After District Human Resources approves the recommendation, the approved candidate shall be offered the position. If the approved candidate declines the offer, the hiring authority can recommend another candidate already interviewed by him/her. In the alternative, if the pool of interviewed candidates has now fallen below three candidates, the hiring authority can request a new recruitment from District Human Resources.
- 11.5.3.5 If an eligibility list falls below three candidates the hiring authority may choose to interview or choose not to interview. If the hiring authority interviews, he/she is not required to accept any of the candidates and can request that District Human Resources initiate a new recruitment. If the hiring authority chooses not to interview, he/she can request that District Human Resources initiate a new recruitment.
- 11.5.3.6 Any eligibility list resulting from an open recruitment shall be valid for a minimum of three (3) months and a maximum of one (1) year from the date approved by District Human Resources. An open eligibility list may be extended by up to an additional twelve (12) months with the approval of the Chief Human Resources Officer or designee. Open eligibility lists may be used to fill vacancies within that classification. In the alternative, District Human Resources can determine to not use an existing list and can begin a new recruitment process.

- 11.6 **INTERNAL CANDIDATE WHO MOVES TO ANOTHER CLASSIFICATION:** A permanent employee who acquires probationary status as the result of a job opening/promotion, shall retain permanent status in his/her former position classification until completion of the probationary period in the new classification. If not successful, the employee shall revert to his/her former classification with all rights and privileges.
- 11.7 **RECRUITMENT POSTINGS:** Notices of internal and open recruitments shall be published and distributed to Local 1, all sites, all divisions and departments and posted on appropriate bulletin boards. Notices shall contain at least a statement of minimum qualifications, desirable qualifications (if any), general job description, salary and deadline date for applying.
- 11.8 **SCREENING MEASURES:** The various screening measures used by the District to determine qualifications of candidates and the relative rankings of candidates who successfully make it onto an eligibility list shall be job related.
- 11.9 **POLICE SERVICES OFFICERS EXCEPTIONS:** Police Services Officers are not covered by Sections 11.2 and 11.4, but rather are covered by the provisions of Section 17.6.

The parties agree that it is important for employees to have opportunities to develop and enhance their skills. The District shall endeavor to insure that equal opportunities for training shall be provided.

The classes of Assistant Book Buyer and Secretary meet the definition as level I or trainee and are eligible for flex advancement. Other flex classifications not specifically outlined above may be mutually agreed to by the District and Local 1.

- 12.3 **DISTRICT DOES NOT DISCRIMINATE:** The District agrees that it shall not discriminate in any way with regard to ethnic group identification, religion, age, sex, color, physical or mental disability, medical condition (cancer), national origin, marital status, Vietnam-era veteran, or sexual orientation. LAYOFF AND REEMPLOYMENT

- 13.1 **REASON FOR LAYOFF:** Layoffs shall occur due to lack of work or lack of funds.
- 13.2 **FORMS OF LAYOFF:** Layoffs may take one or more of the following forms:
- 13.2.1 An involuntary reduction in the number of days worked in a year.
 - 13.2.2 An involuntary reduction in the number of hours worked in a day.
 - 13.2.3 An involuntary reduction in the classification through bumping by senior employees.
 - 13.2.4 An involuntary reduction in salary or other compensation to avoid layoff.
 - 13.2.5 Acceptance or reduction in days worked, hours worked, bumping to lower classes, or reduction in salary or other compensation to avoid layoff is at the option of the employee affected.
- 13.3 **NOTICE OF LAYOFF:** Employees affected by layoff shall be given no less than sixty (60) calendar days written notice of such action. Notice shall also be given to the Union.
- 13.4 **ORDER OF LAYOFF:** Employees with the least regular seniority shall be laid off first. Seniority shall be defined as possible:
- 13.4.1 **Lateral Class Seniority:** In determining order of layoff in a lateral class (where an employee moves or has moved from one class to another class at the same salary range), the original class, prior to lateral movement, shall be considered a lower class for purposes of seniority within class.
 - 13.4.2 **Adjusted Class Hire Date:** For purposes of layoff, seniority is determined by first day of service as a regular employee within his/her specific classification or higher classifications within the District minus any unpaid leaves of absence of 30 calendar days or more (called "the Adjusted Classification Hire Date").
 - 13.4.3 **Classification Hire Date:** For tie breaking purposes, if the Adjusted Classification Hire Date is equal, the Classification Hire Date shall be used. This is the first day of service as a regular employee within his/her specific classification.
 - 13.4.4 **Regular Hire Date:** If the Classification Hire Date is equal, the employee's Regular Hire Date seniority will be used, which is the hire date as a regular employee in the District.
 - 13.4.5 **Seniority Draw:** If the Regular Hire Date is equal, the tie will be broken by a seniority draw held in District Human Resources with the Union present.
- 13.5 **BUMPING RIGHTS:** An employee laid off from his/her present classification may bump into the next lowest classification in which the employee has previously served, based upon his/her seniority date.
- 13.5.1 The employee may continue to bump into successive lower classes in which he/she has served to avoid layoff.

13.5.2 An employee may elect to be laid off in lieu of bumping. Accepting such a layoff does not affect the employee's reemployment rights under this Agreement.

13.5.3 When an employee was initially employed in an identifiable entry level position within an existing specific family grouping of classifications, that employee shall retain seniority for that entry level position even though the position has been reclassified and/or the title changed. However, in order to exercise this right, the employee must meet minimum qualifications required for the entry-level position.

13.6 **REEMPLOYMENT RIGHTS ARE FROM 39 TO 63 MONTHS:** Employees laid off are eligible for reemployment in reverse order of layoff for a period of thirty-nine (39) months and shall be mandatorily reemployed in preference to the District accepting new applicants within the class from which the layoff occurred. Employees who accept a reduction in days or hours worked to avoid layoff shall have the option for reemployment in reverse order of layoff when openings within the class occur for a total of sixty-three (63) months.

13.7 **USE OF REEMPLOYMENT RIGHTS:** Upon any vacancy occurring within a class within the District's Classified Service, the District shall:

13.7.1 First, offer reemployment to laid-off employees who possess vested job rights in order of highest seniority within the class in which the vacancy occurs.

13.7.1.1 Such employees shall be notified by certified mail at the last known address of record, and/or, shall be notified by telephone. The employee shall, if notified by mail, have three (3) work days from proof of service, but in no cases more than seven (7) work days from date of postmark to notify the District of acceptance; or, if notification was by telephone, two (2) work days to notify the District of acceptance. Failure to respond (unless for good cause solely determined by the District) shall be considered a waiver of the right to the vacancy, and a waiver of all future reemployment rights. Laid off employees who respond, but do not want the particular opening shall have the right to turn down three (3) offers of reemployment. After the third offer of reemployment is declined, the laid off employee shall be removed from the reemployment list. All notifications shall also be sent to the Union.

13.7.2 Second, where no employee in a layoff status has vested or prior rights in a vacancy, or, where those having such rights refuse or fail to exercise them, the District shall offer reemployment to laid off unit employees having reemployment rights in order of District seniority in any entry level position within any class which is vacant within their unit where the employee possesses the minimum qualifications for such vacant position.

13.7.2.1 Such employee shall be notified by first class mail, at the last known address of record, of the entry level opening. The employee shall, within seven (7) calendar days from date of postmark, notify and make application to the District to fill such vacancy.

13.7.2.2 Failure to make application within the time limits shall be considered a waiver of the right to the vacancy, and all future vacancies under this subsection.

13.7.3 It is agreed that the order of reemployment of employees in layoff status may be altered from reverse order of seniority where minimum qualifications for a new class may not be met by certain of the senior laid-off employees.

13.7.4 Such reemployed employees returning to the District in a classification not previously occupied by them shall serve a regular probationary period in such classification and shall be placed on Step 1 of the new class salary schedule for the probationary period. For this situation only, the probationary period will be six (6) months, unless in Police Services and Information Technology classifications. Upon successful completion of the probationary period, the employee shall be placed on the salary step nearest the salary received while last employed by the District.

17.2.4.2 Work parties of two or more custodians may be assigned to perform quick cleaning and covering of stations not manned due to unexpected absences of short duration (5 days or less). Whenever exercised, a proportionate reduction in individual cleaning requirements on regular stations shall also be exercised.

Work parties of two or more custodians may be assigned to a workstation or combination of workstations on a permanent basis based on business need after consultation with Local 1. District and Local 1 will have 60 days for consultation. As part of implementation all the custodian workstations at that site will be opened for rebidding.

If the temporary additional duties assignment is required after the maximum 6-month period, the process may be re-initiated.

17.4.2.1 When the request for temporary assignment is submitted to District Human Resources, Local 1 will be copied. Local 1 may demand meet and confer prior to the start of the temporary assignment.

17.4.2.2 The manager and employee shall meet and mutually agree on the temporary assignment.

17.4.2.3 Any deviation from the 5% additional compensation will be subject to meet and confer.

The reclassification process as found in Article 17.5 will be postponed until the results of the classification study, also known as the "Hay" study, are implemented.

Managers are encouraged to attend the training session. Requests for reclassification consideration may be initiated by the employee, a manager, or Local 1. Employees are encouraged to notify in writing both their manager and Local 1 Unit President when submitting a request.

17.5.2 Screening Applications: Applications will be screened for completeness by the Local 1 Unit President and the appropriate District Human Resources staff member. Complete applications will be forwarded to the Reclassification Committee.

Each applicant will be notified in writing of the Committee determination as follows: request meets criteria; does not meet criteria; or more information is needed. Applications that meet the established criteria shall be referred for a classification study. If an application is denied, the Committee shall supply the reason(s). An applicant whose application is denied may appeal the decision under Section 17.5.5.

17.5.4.3 Classification Study: An outside classification consultant, mutually agreed to by the District and Local 1, shall conduct a classification study on each completed application. Classification assignment is based on job-related criteria and includes, but is not limited to, review of duties and responsibilities, level of independent decision making and authority, and complexity of duties. Changes in volume of work alone generally do not result in changes of classification.

17.5.4.4 The Reclassification Committee will receive and review the results of the classification study. The Reclassification Committee will take into consideration the recommendations of the outside classification consultant. The decision to approve a reclassification must be unanimous. Each applicant will be notified in writing of the Committee determination. If the application is not approved, the Committee shall supply the reason(s). If the decision of the Reclassification Committee is not unanimous, or if the application is not approved, or the applicant does not agree with the decision, the applicant may appeal under 17.5.5.

The affected employee must file an appeal in writing with the Chief Human Resources Officer within ten (10) working days of the receipt of the finding from the Reclassification Committee.

The appeal meeting will convene on a date mutually agreed upon between the employee and the Chief Human Resources Officer. The supervisor may be asked to attend and address the Appeal. The employee may ask that a union representative be present.

The Chief Human Resources Officer will render a written decision within twenty (20) days of the appeal meeting and send the notification to the employee, the employee's supervisor and Local 1. The Chief Human Resources Officer's decision will be final.

ARTICLE 20

SALARY AND BENEFITS

20.1 **SALARY SCHEDULE:**

20.1.1 2015-2016 and 2016-2017: The Parties agree to a 2-year compensation package:

20.1.1.1 2015-2016: The Local 1 salary schedule shall be increased by five percent (5%), retroactive to July 1, 2015. If any other bargaining unit in the District settles for an increase that exceeds five percent (5%) for the 2015-2016 fiscal year, the increased percentage above five percent (5%) shall be applied to the Local 1 salary schedule retroactive to July 1, 2015.

20.1.1.2 2016-2017: The Parties automatically agree to reopen on salary taking into consideration new ongoing revenues and expenditures.

The 2% salary increase from 2013-14 will remain on the salary schedules as a permanent ongoing increase and this agreement shall close negotiations for 2014-15 compensation. (See Appendix K)

The Parties agree that for 2014-15, all Local 1 represented employees shall receive a one-time, off-schedule salary bonus of \$650, prorated by FTE. The bonus shall further be prorated by date of hire in fiscal year 2014-15 as follows: July 1 – September 30, 100%; October 1 - December 31, 75%; January 1 - March 31, 50%; April 1 and after, 25%. This off-schedule increase will be paid out of College/District Reserves from the 2014-15 fiscal year in the form of a single, off-schedule payment to each Local 1 represented employee.

The District will fund step and longevity increases for 2013-14 and cover its share (94%) of medical and dental benefits premiums and fund 100% of the premiums for other health and welfare benefits.

Local 1 and CCCCD remain committed to working in partnership to address financial challenges. Our goals include reaching the top third of the Bay 10 in total compensation for classified staff while working collaboratively to improve district-wide efficiency and productivity.

20.2 **STEP INCREMENTS:** The District shall provide all salary step increments to all regular monthly employees of the bargaining unit during the term of this agreement. Effective July 1, 2002, step increases shall be based upon full or partial fiscal years of employment and all step increments for which an employee becomes eligible shall take place on July 1st. For example, an employee hired on July 1st or any date within that fiscal year at Step 1 shall progress to Step 2 the following July 1st, and so on until the top step placement is achieved.

20.2.1 Step Advancement If No Less Than Satisfactory Evaluation: In order to progress to a higher step placement the employee must not have received a less than satisfactory evaluation. Once the employee has received a satisfactory evaluation, the employee shall receive the step increase effective the first of the month following the receipt of the satisfactory evaluation by District Human Resources. An employee who received a less than satisfactory evaluation and thus did not get a step increase, shall have another evaluation done within three (3) months to determine if the employee's performance is at least satisfactory. This provision will become effective when the new classified evaluation form is agreed upon.

20.2.2 Promotional Step Placement: Any employee whose assignment is changed to a position in a classification with a higher salary range shall advance to the step in the new salary range that provides at least a five percent (5%) salary increase over his/her previous scheduled salary. Employees shall receive an additional step placement increment for every full year of service completed as an out-of-class assignment in the promotional classification. However, no employee may advance higher than the maximum step in the new salary range.

20.2.3 Initial Step Placement: Employees who are new to the District and are in a unit position shall be placed on Step 1 of the appropriate range for that classification. Effective July 1, 2011, all classifications will be hired at Step 1.

20.2.4 Demotion Step Placement: Employees who voluntarily or involuntarily demote to a lower classification shall be placed on the appropriate salary range for the lower classification and then to that step that gets the employee closest to his/her former classification's hourly salary rate without receiving an increase in salary.

20.2.5 Lateral Step Placement: Employees who take a lateral classification move to a position on the same salary range as the previous classification immediately preceding the move shall be placed on the same salary step.

20.3 **LONGEVITY PAY:** The District shall provide to all regular monthly employees who have attained the appropriate full or partial fiscal years of continuous service the following longevity allowances above and beyond their regular salaries. The longevity pay allowance shall be based on the employee's step placement and shall exclude shift differential, if any.

20.3.1 5% above regular salary beginning with the 11th fiscal year of service

20.3.2 7.5% cumulative above regular salary beginning with the 14th fiscal year of service

20.3.3 10% cumulative above regular salary beginning with the 20th fiscal year of service

20.3.4 12.5% cumulate above regular salary beginning with the 23rd fiscal year of service

20.3.5 15% cumulative above regular salary beginning with the 27th fiscal year of service

20.3.6 17.5% cumulative above regular salary beginning with the 34th fiscal year of service

20.4 **INSURANCE:** All insurance programs are subject to carrier requirements for eligibility enrollment, and processing of claims.

20.4.1 Health Benefits Shall Continue During Paid Leaves of Absence: Insurance programs listed herein shall continue during leaves of absence with pay.

20.4.2 Employee May Pay Premiums During Unpaid Leaves of Absence: Insurance programs listed herein shall not continue during leaves without pay, except, members at their option may, by paying full District and employee premium amounts, continue the health, dental, vision and life insurance programs.

20.4.2.1 However, if an employee becomes ill and exhausts all paid leave to which he/she is entitled before being able to return to work, the District shall, for the duration of this contract, continue to pay the premiums for health, dental, vision and the District-paid portion of life insurance during the extended illness if the employee is granted a leave of absence without pay.

20.4.3 District Payment of Premium Increases: The District shall pay for any premium increases that occur during the 2005-06 fiscal years for any District-paid health and welfare programs outlined in this agreement. District payment of future premium increases in subsequent fiscal years shall be subject to the negotiations process as part of an overall total compensation package settlement.

20.4.3.1 2015-2016: The District's contribution to health benefits will not change.

20.4.3.2 Effective January 1, 2006, Local One bargaining unit members shall contribute 6% of District's premium costs for medical and dental insurance premiums only. For Local One members who are not full-time, the monthly cost means the net cost to the District after the employee's contribution.

20.4.4 District Contribution Towards Insurance Premiums: The District shall pay premiums for the various insurance plans outlined in this article, pursuant to Exhibit F. The following premium contribution rates shall apply for all District-paid insurance programs outlined in this article:

20.4.4.1 The District shall contribute 100% of required premiums for regular employees who are regularly assigned to a forty-hour workweek and work at least a school term year. Effective January 1, 2006, employees shall contribute 6% of medical and dental insurance premiums, as described in 20.4.3.

Example of 20.4.4.1: XYZ Health Plan HMO
Employee Status: 100% time employee (40 hours per week)

Coverage Type	Total Monthly Premium	Part-Time Employee Portion (N/A)	Gross Employer Portion	Negotiated Employee Contribution (6%) *	Total Employee Payment
Family	\$1000	\$0	\$1000	\$60.00	\$60.00

*Negotiated employee contribution is calculated by multiplying the employer contribution by 6% i.e. \$1000 (employer contribution) x.06 (6%) = \$60.00.

20.4.4.2 The District shall contribute a pro-rata amount of the required premiums for regular employees who are regularly assigned at least twenty (20) and less than forty (40) hours per week and work at least a school term year. The pro-rata calculation shall be based on the relationship of the regular workweek hours to 40 hours.

Example of 20.4.4.2: XYZ Health Plan HMO
Employee Status: 70% time employee (28 hours per week)

Coverage Type	Total Monthly Premium	Part-Time Employee Portion (pro-rated)	Gross Employer Portion (pro-rated)	Negotiated Employee Contribution (6%) *	Total Employee Payment
Family	\$1000	\$300	\$700	\$42.00	\$342.00

*Negotiated employee contribution is calculated by multiplying the employer contribution by 6% i.e. \$700 (employer contribution) x.06 (6%) = \$42.00.

20.4.4.3 The District shall contribute 50% of required premiums for medical insurance for regular employees who are regularly assigned at least twelve (12) and less than twenty (20) hours per week and work at least a school term year.

Example of 20.4.4.3: XYZ Health Plan HMO

Employee Status: 30.0 to 49.9% time employee (12.0-19.9 hours per week)

Coverage Type	Total Monthly Premium	Part-Time Employee Portion (50%)	Gross Employer Portion (50%)	Negotiated Employee Contribution (6%) *	Total Employee Payment
Family	\$1000	\$500	\$500	\$30.00	\$530.00

*Negotiated employee contribution is calculated by multiplying the employer contribution by 6% i.e. \$500 (employer contribution) x.06 (6%) = \$30.00.

20.4.4.4 Employees who must pay a portion of the insurance premiums shall have such premiums deducted from their paychecks on a monthly basis.

20.4.4.5 Employees Reimbursed for Out-of-Pocket Co-Pays: \$35,000 per fiscal year will be set aside by the District to reimburse classified employees for the higher co-pays that became effective 7/1/2003. These funds will be used on a first-come, first-served basis until the money is exhausted.

To be eligible, an employee must be covered by the District's medical plans and make less than \$60,000 annual salary in the preceding calendar year. Salary eligibility would be calculated based upon all District salary sources, including overtime, and would be calculated based upon the prior calendar year's Medicare eligible wages as found in the W2 for the employee. New employees would have their monthly salary annualized to reflect what a full year's salary would normally be. In subsequent years, the calculation would be based on the W2 as noted above.

The co-pays eligible for reimbursement are office visits and prescription drugs. The amount of co-pay eligible for reimbursement is the amount that exceeds \$5.00. Employees who are on maintenance prescriptions will be required to participate in the 90-day prescription provisions to receive reimbursement.

Effective August 1, 2013, includes hospital and emergency room visit copays. Reimbursement does not cover out-of-network PPO percentage co-pays.

20.4.5 Salary Continuance Insurance: The District shall purchase income protection coverage for eligible unit employees to provide for a 60-day waiting period and a monthly benefit of two-thirds of salary to a maximum of \$6,000 per month.

20.4.6 Tax-Sheltered Annuity Programs: The following provisions shall apply:

20.4.6.1 Individual Tax-Sheltered Annuity Programs: The District shall provide for participation by regular employees tax-sheltered annuity programs with carrier fulfilling all state and federal requirement eligibility. It is the employee's sole responsibility to assure such carrier eligibility.

20.4.6.2 Flexible Spending Program (125 Plan): The District shall provide for full-time employees, an Internal Revenue Service Section 125 Plan, with a District approved program administrator, to cover medical and dependent care expenses. Part-time employees may utilize the IRS Section 125 Plan for payments.

20.4.7 Retiree Health Benefits: The District shall offer the following retiree health program:

20.4.7.1 Participation in Medicare: All employees who retire from District service and become Medicare-eligible (currently age 65) are required to enroll in a Medicare-coordinated plan. Failure to enroll in a Medicare-coordinated plan after receiving 30 days' notice from the District of this requirement shall result in termination of health benefits. All persons who receive health benefits from the District must provide evidence to the District that they have successfully enrolled in Medicare Part A or present documentation why they are not eligible to enroll. For retirees enrolled in District benefits the District will reimburse Medicare Part B for those retiring with Medicare Part A. .

Retirees may request reimbursement for the previous calendar year. Annually, in February, District will send a letter to retirees soliciting appropriate paperwork and documentation to be reimbursed for Medicare B. To be reimbursed for Medicare B, retirees must submit appropriate paperwork and documentation by the end of the calendar year in which retiree received District notification for reimbursement for previous calendar year. Retirees may submit requests for reimbursement annually or quarterly. Reimbursements will be paid quarterly as long as allowed by plan administrator.

20.4.7.2 Participation in Cost Containment Measures: All employees who retire on July 1, 2001 or thereafter and who participate in the District's retiree health plans shall participate in reasonable cost containment measures as a condition of receiving benefits.

20.4.7.3 Retirees Prior to 7/1/84 and Employees Hired Prior to 7/1/84: The District contribution for health and dental insurance for designated employee groups is as follows:

20.4.7.3.1 Retired Prior to July 1, 1984: Based on 100% of premium for retiree and dependents.

20.4.7.3.2 Hired Prior to 7/1/77 and Retired Prior to 12/31/90: Based on 100% premium for retiree and dependents.

20.4.7.3.3 Currently Active Employees Hired Prior to 7/1/84: The District will provide 100% of premium at the time of retirement for employee and dependents.

20.4.7.4 All Other Employees: For all other employees and retirees hired on or after 7/1/84, the following point system shall apply:

20.4.7.4.1 Eighty (80) Points: Any employee retiring under STRS or PERS shall be eligible for District contribution of health and dental benefits provided to current employees within an

approved District program provided the following requirements are met at the date of retirement. In 1990-91 and thereafter, where the minimum age at the date of retirement is 50 or more, and where the years of service when added together equals a minimum of eighty (80) (i.e. 50 + 30, 51 + 29, 52 +28, 65 + 15, 70 + 10). The District shall pay 100% of the maximum premium amounts for the retiree and 50% of the premium requirements for the dependents.

20.4.7.4.2 Seventy (70) Points: The District shall pay 50% of the maximum premium amounts for the retiree and 25% of the premium requirements for the dependents, for retirees who have met eligibility by attaining 50 years of age, having worked full-time in the District for a minimum of ten (10) years, and where the sum of age and full-time years in the District equals a minimum of seventy (70).

20.4.7.4.3 Retiree Health Benefits for Employees Hired On or After August 1, 2005: Employees hired on or after August 1, 2005 and their dependents will be eligible to continue receiving District sponsored medical and dental benefits under the current provisions until Medicare eligible. Once Medicare eligible, should the retiree elect to stay on any District sponsored health or dental plan, the retiree shall pay 50% of the district's cost for health and 50% of the dental fully insured premium equivalent*. The spouse may stay in the district sponsored health or dental plan, once Medicare eligible, by paying the 100% of the District's premium cost. The District shall also permit current and future retirees to purchase participation in VSP or EAP by paying for one or both at the premium rate specified by the carrier for District retirees.

**The current CCCD dental plan is a fully self-insured plan (i.e. the District administers and pays claims directly). The premium rates are determined by formulas used by the District's benefits consultant to forecast actual costs. Current rates are posted on the District web site or are available by contacting the District Human Resources Department.*

1. If a retiree who is under Medicare eligibility age has an older spouse, coverage for the older spouse shall end the first of the month following the spouse's eligibility for Medicare. However, under this scenario, the retiree's coverage shall continue until the first of the month following the retiree's eligibility for Medicare. If a retiree is older than his/her spouse, coverage for the spouse and dependents (if any), shall end the first of the month following the retiree's eligibility for Medicare. When referring to spouse, this language shall also mean any qualifying domestic partner.
2. Once the retiree is eligible for Medicare, the retiree and spouse may remain on the District's retiree health plan. However, the retiree will be required to pay 50% of the District's cost for the premiums quarterly in advance.

When a spouse who is older than the retiree becomes eligible for Medicare and is thus dropped from the District's sponsored program, the spouse may remain on the District's retiree health plan provided the retiree pays for the spousal portion of the premiums quarterly in advance. When referring to spouse, this language shall also mean any qualifying domestic partner.

3. The same concepts noted above shall apply to retirees selecting 2-party coverage health plans, 2 + coverage, etc.

20.4.7.4.4 Defining Full-Time Service: The 80 point and 70 point programs noted above are for "full-time" employees. For purposes of this retiree benefit, "full-time" means any regular classified employee who is within PERS or STRS. The years of service required means years of eligible PERS or STRS service. The years of service need not be continuous. This definition also applies to (Disability Retirement section above).

20.4.7.5 Contributions: The District shall pay for each retiree and dependents enrolled at the date of retirement and thereafter, unless renegotiated, the maximum amounts designated in Appendix G incorporated by reference.

20.4.7.5.1 Part-time Service: Regular employees who are employed part-time and meet the point eligibility noted in Section 20.4.7.4 may participate in retiree benefit coverage at time of retirement. However, the District shall contribute a proportionate amount of the premium cost for retirees equal to the percentage of the employee's final work assignment or the percentage contributed by the District for the employee at the date of retirement, whichever is higher.

20.4.7.5.2 Maximum Contributions Are Based on Kaiser Rate: Such contribution amounts paid by the District as reflected in Appendix G are based upon Kaiser Insurance and Delta Dental Insurance Program premium rates and reflect 100% premium coverage to retiree and 50% premium coverage to spouse, paid by the District.

20.4.7.5.3 Retiree Payments: Retiree contribution amounts shall be paid to the District quarterly in advance.

20.4.7.6 Disability Retirement: Any employee who retires from the District on STRS or PERS disability retirement may still be eligible for premium coverages outlined in 20.4.7.4 regardless of age so long as the employee has worked full-time in the District for a minimum of ten (10) years. At ten years of service, the disabled employee is eligible to have the District pay fifty percent (50%) of the maximum premium amounts for the retiree and twenty-five percent (25%) of the premium requirements for the dependents. 20.4.7.6.1 For purposes of this retiree benefit, "full-time" means any regular classified employee who is within PERS or STRS. The years of service required means years of eligible PERS or STRS service. The years of service need not be continuous. (See "Defining Full-Time Service" section, above.)

20.4.7.7 Retiree With At Least 10 Years Service But Insufficient Points: Any employee who retires under PERS or STRS with a minimum of ten (10) years District continuous service, but without attaining minimum eligibility requirements as stated in Section 20.4.7.4, may continue in his/her District-approved health insurance program when not enrolled or covered in a non-District insurance program, provided full premium payments are paid in advance to the District on a quarterly basis. It is agreed that any eligible employee having an additional self-paid \$25,000 of life insurance may remain at \$25,000 or purchase an additional \$25,000 at his/her option. However, any eligible employee who has not had additional self-paid life insurance and any new employee who becomes eligible shall have only the option of purchasing an additional self-paid \$100,000 of life insurance in \$50,000 increments, pending carrier approval. Employees purchasing optional life insurance may also purchase, at their expense, optional \$5,000 dependent coverage.

New employees may have the option of an additional, self paid, \$100,000 guaranteed issue life insurance policy, if purchased within the first 30 days of hire (depending upon the basic plan selected).

Note that basic and optional life insurance plans are cancelled at the employee's retirement, and that insurance plans and coverage are subject to change. Please consult the Employee Group Benefits guide and the policy for more specific information.

- 20.4.8.1 Regular Part-Time Employees: All employees working less than full-time, regardless of their original employment date with the District, shall, upon request and at their option, be entitled to pro rata premium payments for life insurance by the District. Pro rata contribution shall be at the same ratio as their regular work schedule bears to full-time service. Regular employees who have work assignments of at least twelve (12) and less than twenty (20) hours per week will pay for 50% of the life insurance premium and the District will pay 50%. Any balance due to the insurance carrier shall be paid by the employee, by payroll deduction. Face value of life insurance shall in all cases be \$50,000. No pro rata reduction of the face value amount shall be permitted.

("District's net contribution" is equal to District's premium cost, less any required employee contribution; see "District Contribution Towards Insurance Premiums" section, above.) The employee shall receive the amount as salary in his/her regular payroll warrant, including in those months in which the employee is not scheduled to work for the entire month. The amount of such contributions shall be listed on a regular basis in Appendix F. If the employee loses health coverage specified in the affidavit, the employee shall be enrolled immediately in the district health plan of the employee's choice, subject to the approval of the carrier. Any salary received under this section can be, at the employee's option, diverted to a tax sheltered annuity or IRS Section 125 plan as outlined in Tax-Sheltered Annuity Programs section above.

20.4.14.4 The two parties declare that they are each other's sole domestic partner; they are responsible for their common welfare, and are financially interdependent. "Financial Interdependence" means that the domestic partners have entered into a contractual commitment for financial responsibility or have joint ownership of significant assets (such as home, car, bank accounts) and joint liability for debts (such as mortgages and major credit cards). Financial interdependence is demonstrated by meeting at least two of the following conditions:

20.4.14.6 The two parties affirm, under penalty of perjury, that the assertions in the affidavit are true to the best of their knowledge

20.4.14.7 Termination of the partnership shall entitle the non-employee domestic partner and the dependents of the non-employee domestic partner the rights to the District COBRA coverage or Kaiser conversion coverage if the former domestic partner and/or his/her dependents meet the eligibility requirement of the plans in question.

20.4.14.8 Dependents of domestic partners who meet the eligibility requirements of the plans in question shall be eligible for coverage.

20.4.14.9 Domestic partners are eligible for continuing coverage through the Group Health, Dental and Vision Benefits under the same provisions as the federal group continuation law known as "COBRA" or other applicable law upon termination of employment subject to the rules and regulations of the plans in which the employee is enrolled.

Employee replacement through any other source requires employee payment for such replacement.
- 20.6.5 Uniforms/Equipment Supplied to Students or Non-Unit Employees: The District retains the sole discretion as to amounts of uniforms/equipment supplied to students and/or non-unit employees.

20.7 **PAYROLL ERRORS:** Proper salary grade and step placement is a joint responsibility of the employee and the District. All employees are to review their salary placement at least annually and should they believe that they are improperly placed on the salary schedule, they are to immediately bring this information to the attention of the District.

All monthly employees on a regularly scheduled basis with one-half (1/2) or more of the daily work hours assigned between 12:00 a.m. and 6:00 a.m. shall receive additional shift pay of seven and one-half percent (7.5%) and shall be employed with Board approval at the differential rate.

The intent of the parties is that this plan will go into effect on July 1, 2002 for any peace officers actively employed by the District on that date. However, it is recognized that the effective date may be different based upon requirements of the Public Employees Retirement System. In exchange for going to the 2% at 50 PERS Plan, the Union agrees that the impacted sworn peace officers will drop out of Social Security. The District's and the employees' share of Social Security will then be used to help subsidize the costs of this new program. In addition, the Police Services Officers' COLA salary increase for the 2001-2002 fiscal year will be reduced by 0.77%. In order for this Safety PERS Plan to go into effect, the peace officers in the unit must vote to go into the plan and must vote to withdraw from Social Security. If at some future date, PERS re-imposes a District contribution on the regular 2% at 55 School Employee Plan, the parties agree to reopen negotiations on the topic of the employees' cost of this retirement benefit enhancement. In addition, the District will initiate and pay for a PERS actuarial study on the 3% at 50 PERS option in January 2004.

- 20.14 **FUNCTIONS REQUIRING POLICE AND OR SECURITY SERVICES:** Any functions requiring police and/or security services held on District facilities shall be staffed by District police services personnel on regular or overtime status as appropriate, so long as it does not impact regularly assigned duties and police services personnel are available.

- 20.16 **DISTRICT-SUPPLIED UNIFORMS AND CLOTHING:** If the District provides negotiated clothing, or adequate voluntary clothing, including uniforms, shoes, shirts, pants, personal protection equipment, etc., for employees to wear while on duty, it is the expectation that employees shall wear and use the provided uniforms and equipment.

CLASSIFIED CAREER PLANNING AND UPWARD MOBILITY PROGRAM

Mission:

The mission of the Contra Costa Community College District's Classified Career Planning and Upward Mobility Program is to promote career and knowledge/skill enhancement programs for classified employees.

Scope:

This will enable employees to: a) promote themselves within the classification structure(s) of the organization or b) be provided with the tools and assistance to develop themselves as individuals in their current jobs. 2. If an employee contacts the District Office Human Resources Department directly about career planning, then the Human Resources Department will inform the employee's manager of the interest for career planning. On some occasions there may be employees who contact the District HR Department directly and instruct the District HR to not notify their manager of their career planning interest.
3. Employee's manager shall have a discussion with the employee about career development planning. Career goals(s) are established and defined during this meeting.

3. **Initiation of Expedited Arbitration Proceeding:** Cases may be initiated by joint submission in writing.
4. **Qualifications of Neutral Arbitrator:** No person shall serve as a neutral arbitrator in any arbitration in which that person has any financial or personal interest in the result of the arbitration. Upon receipt of such the arbitrator shall be removed from the list and a successor shall be requested from submitting organization.
5. **Vacancy:** The outside neutral board is authorized to substitute another arbitrator if a vacancy occurs or if an appointed arbitrator is unable to service promptly.
6. **Time and Place of Hearing:** The arbitrator shall fix a mutually convenient time and place of the hearing, notice of which must be given at least 24 hours in advance. Such notice may be given orally.
7. **Representation by Counsel:** Any party may be represented at the hearing by counsel or by the exclusive representative.
8. **Attendance at Hearings:** Persons having a direct interest in the arbitration are entitled to attend hearings. The arbitrator may require the retirement of any witness during the testimony of other witnesses. The arbitrator shall determine whether any other person may attend the hearing.

10. **No Stenographic Record:** There shall be no stenographic record of the proceedings.
11. **Proceedings:** The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the parties. The arbitrator shall make an appropriate minute of the proceedings. Normally, the hearing shall be completed within one day. In unusual circumstances and for good cause shown, the arbitrator may schedule an additional hearing, within five days.

12. **Arbitration in the Absence of a Party:** The arbitration may proceed in the absence of any party who, after due notice, fails to be present. The arbitrator shall give only procedural cognizance to the party's absence.
13. **Evidence:** The arbitrator shall be the sole judge of the relevancy and materiality of the evidence offered.
14. **Evidence by Affidavit and Filing of Documents:** The arbitrator may receive and consider evidence in the form of an affidavit, but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing. There shall be no post hearing briefs.
15. **Close of Hearings:** The arbitrator shall ask whether parties have any further proofs to offer or witnesses to be heard. Upon receiving negative replies, the arbitrator shall then ask for closing comments by both parties, and thereafter declare and note the hearing closed.
16. **Waiver of Rules:** Any party who proceeds with the arbitration after knowledge that any provision or requirement of these rules has not been complied with and who fails to state his objections thereto in writing shall be deemed to have waived his right to object.
17. **Serving of Notices:** Any papers or process necessary or proper for the initiation or continuation of an arbitration under these rules and for any court action in connection therewith or for the entry of judgment on an award made thereunder, may be served upon such party (a) by mail addressed to such party or its attorney at its last known address, or (b) by personal service, or (c) as otherwise provided in these rules.
18. **Time of Award:** The advisory award shall be rendered promptly by the arbitrator not later than five business days from the date of the closing of the hearing.
19. **Form of Award:** The awards shall be in writing and shall be signed by the arbitrator. If the arbitrator determines that an opinion is necessary, it shall be in summary form.
20. **Delivery of Award to Parties:** Parties shall accept as legal delivery of the award the placing of the award or a true copy thereof in the mail by the arbitrator, addressed to such party at its last known address or to its attorney, or personal service of the award, or the filing of the award in any manner which may be described by law.
21. **Expenses:** The expenses of witnesses for either side shall be in accordance with its agreement between the Union and the District.
22. **Interpretation and Application of Rules:** The arbitrator shall interpret and apply these rules insofar as they relate to his powers and duties. All other rules shall be interpreted and applied by the organization from which the arbitrator was selected.

APPENDIX K COMPENSATION FORMULA

Compensation: The parties agree to a two-year compensation plan. For 2013-14, salary schedules will be increased by 2%. A formula will be used to determine salary changes for 2014-15.

Local 1 and CCCCDCD remain committed to working in partnership to address financial challenges. Our goals include reaching the top third of the Bay 10 in total compensation for classified staff while working collaboratively to improve district-wide efficiency and productivity.

2013-14:

- For the 2013-14 fiscal year, all Local 1 represented salary schedules will be increased by 2% as “fronted COLA” from District Reserves.
- District will cover its full share (94%) of any increase in health care premiums.
- District will cover step and column increases.
- If the State’s COLA percentage for 2013-14 exceeds 2%, the agreement may be reopened.

2014-15:

Salary changes will be determined by the following formula. This formula allocates to employees 88% of all new, ongoing revenues as an increase in their total compensation. The *salary* increase will be based on all the money left after subtracting the costs of other compensation: benefits; and step and column increases.

The total dollars available for distribution are the Local 1 represented employees’ percentage share of total labor expenses calculated as follows:

- 1) Added to the distribution amount is 88% of all new, unrestricted, on-going funds including but not limited to the following:
 - a) 2013-14 State Statutory COLA and other new ongoing allocations.
 - b) 2014-15 State Statutory COLA and other new ongoing allocations.
 - c) 2013-14 actual growth or restoration.
 - d) 2013-14 and 2014-15 net savings realized through increased efficiency including productivity ratio improvements and savings from retirements.
- 2) Subtracted from the distribution amount are new, ongoing, Local 1 represented employees’ compensation related expenditure increases, including but not limited to the following:
 - a) 2013-14 “fronted COLA” of 2%.
 - b) 2013-14 “costs” of growth, to be calculated using our existing formula.
 - c) 2013-14 and 2014-15 District-paid health benefit premium increases.
 - d) 2013-14 and 2014-15 cost of step-column-longevity increases.
 - e) 2013-14 and 2014-15 net costs associated with other parts of any agreements related to compensation for Local 1 represented employees.

If the State’s COLA percentage for 2014-15 is greater than the formula-produced salary increase for 2014-15, this agreement may be reopened.

If this formula results in a total compensation percentage-increase that fails to exceed 2% plus the health benefits percentage-increase plus the step-column-longevity increase, the full compensation agreement will sunset at the end of 2014-15.

This agreement does not prevent either side from reopening for 2014-15 if there are unanticipated, substantial changes in revenues or expenses.

Benefits Premiums Co-Pays for Those Reduced in Time: Employees reduced in weekly hours of work (FTE) as a result of reductions in fiscal years 2010-11, 2011-12, and 2012-13, shall have the District's share of the costs of benefits premiums restored to the level of the FTE for which they have permanency for the duration of their 63-month reemployment rights, or until such rights are exercised or refused. District and Local 1 shall meet and agree on the list of eligible employees.

Vacation-in-Lieu of Furlough for Those Reduced in Months of Service: For the duration of this agreement, or, if sooner, until their 63-month reemployment rights are exercised or refused, employees reduced in months of service (furloughed) as a result of reductions in fiscal years 2010-11, 2011-12, and 2012-13, may take up to 80 hours of available vacation hours in-lieu of furlough per fiscal year. Utilization of vacation in-lieu of furlough, per this provision, is at the member's discretion. District and Local 1 shall meet and agree on the list of eligible employees.

Funding for this provision shall be allocated from the Local 1 Substitute Pay Fund (Article 7.7.4) and/or Classified Employees Enhancement Program (CEEP) funds (Article 24.5) as needed. This provision in no way impacts allocation, accrual, or usage of otherwise available funds in these accounts except as noted above.
