

LABORATORY COORDINATOR, SENIOR (Multiple disciplines)

Class Code	OT Status	EEO Category	Represented Status	Salary Grade	Effective Date	Status	Pages
	Non-Exempt	Technical/Paraprofessional	PEU Local 1	65	07/01/2017	Classified	1 of 3

DEFINITION

To plan and organize the day-to-day operations of multiple instructional laboratories or disciplines; to organize, schedule and assist in evaluating a variety of laboratory activities; to assist in department budget preparation and administration; to provide tutoring services to students in the disciplines assigned; and to provide a wide range of technical, clerical, and other assistance to students, faculty, and tutors.

DISTINGUISHING CHARACTERISTICS

Laboratory Coordinator- This classification is distinguished from the senior level in that it is responsible for the day-to-day operation of a single discipline or laboratory area as opposed to multiple disciplines or laboratory operations with larger scope and complexity.

Laboratory Coordinator, Senior – Positions in this classification are responsible for the planning, organization and preparation of laboratory operations for two or more disciplines or operations with larger scope and complexity.

SUPERVISION RECEIVED AND EXERCISED

- Receives supervision from a departmental supervisor or manager.
- May receive technical or functional supervision from higher-level departmental personnel.
- Provides training and direction to student assistants or other assigned staff.

EXAMPLES OF DUTIES

Duties may include, but are not limited to, the following:

- Plans and coordinates large department laboratory operations for a variety of disciplines.
- Monitors and tutors students in the use of laboratory facilities and in the areas in which the students need assistance.
- Provides students, faculty, and tutors with assistance and training in the operation of computers and other laboratory equipment.
- Identifies student needs and determines remediation plans for students with weaknesses in the assigned subject area; advises students on study methods, learning strategies and monitors student progress.
- Coordinates tutoring services activities for assigned department(s).
- Assists in developing and monitoring department budgets in coordination with management and faculty; prepares cost estimates for budget recommendations; submits justifications for budget items; maintains student billing records.
- Develops and maintains a reference library and files of resource material for faculty and student use.
- Assists in the administration of laboratory assignments, exercises, and tests under the direction of an instructor.
- Develops and implements new or modified laboratory policies and procedures, as required.

LABORATORY COORDINATOR, SENIOR (Multiple disciplines)

Class Code	OT Status	EEO Category	Represented Status	Salary Grade	Effective Date	Status	Pages
	Non-Exempt	Technical/Paraprofessional	PEU Local 1	65	07/01/2017	Classified	2 of 3
